INSTITUTIONAL REFUND/DROP POLICY

- ❶ Any monies due the applicant or student shall be refunded within 45 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:
 - a. An applicant is not accepted by the school. This applicant shall be entitled to a refund of all monies paid to the school except a non-refundable application fee.
 - b. A student (or in the case of a student under legal age, his/her parent or guardian) cancels his/her contract and demands his/her money back in writing, within three (3) days of signing the enrollment contract. In this case all monies collected by the school shall be refunded except a non-refundable application fee. This policy applies regardless of whether or not the student has actually started training.
 - c. A student who cancels his/her contract after three (3) days of signing the contract but prior to entering classes is entitled to a refund of all monies paid to the school less a non-refundable application fee of \$100.00.
 - d. A student notifies the institution of his/her official withdrawal in writing.
 - e. A student is expelled by the institution.
 - f. For official cancellations as defined in paragraphs b, c, d, or e, the cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the school administrator/owner in person.
 - g. Monies paid for student kit is nonrefundable unless the student cancels within 3 (three) business days of signing the enrollment contract or the student cancels prior to entering class.
- ❷ Any monies due a student who unofficially withdraws from the institution shall be refunded within 45 days of a determination by the institution that the student has withdrawn without notifying the institution. Unofficial withdrawals are monitored every 30 days and a determination is made to withdraw a student who has been absent from school for 14 or more consecutive calendar days; the withdrawal date that will be used in this calculation is the student's actual last date of attendance.
- ❸ When situations of mitigating circumstances are in evidence, such as serious illness, a disabling accident, or death in the immediate family, the school may make a settlement that is reasonable and fair to both parties.
- ❹ All extra costs, such as books, equipment, graduation fees, application fee, rentals, and other such charges, are not considered in the tuition adjustment computation if the charges are itemized separately in the enrollment contract.
- ❺ If a course and/or program is cancelled subsequent to a student's enrollment, and before instruction in the course and/or program has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.
- ❻ For students who terminate prior to completion, an administration fee in the amount of \$100.00 will be assessed.
- ❼ A student's account may be sent to collections for nonpayment.
- ❽ If the school closes permanently and no longer offers instruction after a student has enrolled and instruction has begun, the school will provide a pro rata refund of tuition to the student.

The following refund table distribution is used for all students due a refund. Upon withdrawal, drop or termination, a student may owe tuition or be entitled to a refund based on his/her scheduled hours:

Percentage Length Scheduled to Complete to Total Length of Course and/or Program	Amount of Total Tuition Owed to the School
0.01% - 4.9%	20%
5% - 9.9%	30%
10% - 14.9%	40%
15% - 24.9%	45%
25% - 49.9%	70%
50% and over	100%

MAKEUP WORK

Students must complete all required assignments and tests. To accommodate students, makeup test days and worksheet periods are scheduled. Students must complete makeup work at the scheduled time. Monthly makeup test dates are posted on the theory and school calendars.

SATISFACTORY ACADEMIC PROGRESS POLICY

Students enrolled in programs approved by NACCAS must meet formal standards that measure their satisfactory progress toward graduation. The Satisfactory Academic Progress (SAP) policy is provided to all students prior to enrollment. The policy is consistently applied to all applicable students. Evaluations are maintained in the student file. The school will develop an academic plan to address the specific needs of those students who fail to meet the academic requirements at specific SAP evaluation points.

QUANTITATIVE AND QUALITATIVE FACTORS

Factors for measuring the student's progress toward satisfactory completion of the program include maintaining:

- ① A minimum cumulative theory grade level of 70%
- ② A minimum cumulative academic level of 70% on practical worksheet completion*
- ③ To determine whether a student meets the academic requirements for Satisfactory Academic Progress, theory and practical grades are averaged together to give a minimum cumulative academic grade of 70%.
- ④ A minimum cumulative attendance level of 70% of scheduled hours**

**To meet the state practical requirements for graduation, students must eventually complete monthly practical worksheets 100%. See LEARNING PARTICIPATION GUIDELINES.*

***To determine your rate of attendance, divide the cumulative number of hours completed by the scheduled hours to date.*

A student who has not achieved the minimum cumulative GPA of 70% and/or who has not successfully completed at least a cumulative rate of attendance of 70% is not eligible for Title IV assistance, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that resulted in a status of Financial Aid Probation.

**For Veteran Affairs Beneficiaries, please see Addendum A, Section 1 for evaluation of prior credit.*

COMPLETION OF COURSE WITHIN DESIGNATED PERIOD OF TIME

Full-time day students attend five (5) days (Monday through Friday), 35 hours per week, from 9:00 AM to 4:30 PM. Part-time students attend three (3) days (Wednesday through Friday), 21 hours per week, from 9:00 AM to 4:30 PM. Information regarding other course schedules is available upon inquiry.

The state of Oklahoma requires 1500 clock hours for the basic cosmetology course. Students are expected to complete the course in no more than 143% of the program length. If a student is never absent, he/she should complete the course within 42.86 weeks for a full-time student and 71.43 weeks for a part-time student.

The state of Oklahoma requires 600 hours for the esthetician course. Students are expected to complete the course in no more than 143% of the program length. If a student is never absent, he/she should complete the course within 17.14 weeks for a full-time student.

The state of Oklahoma requires 1000 hours for the instructor course. Students are expected to complete the course in no more than 143% of the program length. If a student is never absent, he/she should complete the course within 28.57 weeks for full-time student and 47.62 weeks for part-time student.

The state of Oklahoma requires 600 hours for the manicurist course. Students are expected to complete the course in no more than 143% of the program length. If a student is never absent, he/she should complete the course within 17 weeks for full-time student.

MAXIMUM TIME FRAME

Students must complete the educational program within the maximum time frame, which is based on attending at least 70% of the scheduled hours.

COURSE	LENGTH	MAXIMUM TIME FRAME
Basic Cosmetology – Full Time	42.86 Weeks	61.29 Weeks
Basic Cosmetology – Part Time	71.43 Weeks	102.14 Weeks
Esthetician – Full Time	17.14 Weeks	24.51 Weeks
Instructor – Full Time	28.57 Weeks	40.86 Weeks
Instructor – Part Time	47.62 Weeks	68.10 Weeks
Manicurist– Full Time	17.14 Weeks	24.51 Weeks

LEAVE OF ABSENCE, INTERRUPTIONS, COURSE INCOMPLETES, AND WITHDRAWALS

The school does not have a leave of absence policy. If the student needs to take off more time than allotted in the contract or more than 14 consecutive calendar days, he/she must drop and reenroll when ready to return. Students who withdraw prior to completing the course of study and who wish to reenter will reenter at the same progress status as applicable at the time of withdrawal. Course incompletes, repetitions, and noncredit remedial courses have no effect upon the school's satisfactory progress standards.

EVALUATION PROCEDURES AND REQUIRED LEVEL OF ACHIEVEMENT

Formal Satisfactory Progress Evaluations in both attendance and academics will occur when basic cosmetology students reach 450, 900, and 1200 *scheduled hours*, when facial/esthetics and manicurist/nail technician student reach *scheduled hours* of 300 and when master instructor students reach 500 *scheduled hours*. At least one evaluation will occur prior to the midpoint of the academic year.

The following grading system is used to evaluate a student's academic ability:

- ① Examinations are given in all subjects.
- ② Grades and attendance (Satisfactory Academic Progress) records are reviewed and signed by the student and maintained in the student's financial file. The student may request to review their financial aid file from the Financial Aid Leader or Director.

The following grading scale is used for theory progress:

A = 90 – 100% **B = 80 – 89%** **C = 70 – 79%** **Failing = Below 70%**

Practical and clinical work is graded by a signature on the student's practical clinic worksheet or guest ticket. A signature from an instructor represents a passing grade, which means all elements of the practical grading criteria were met. No signature indicates a failing score, which means one or more of the practical grading criteria elements were not met and the student has not met minimum satisfactory standards on the practical application. Students are required to continue and/or repeat the practical application until they receive a signature from an instructor.

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours at the institution.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory progress until the next scheduled evaluation.

WARNING, PROBATION, AND REESTABLISHMENT OF SATISFACTORY PROGRESS

Students failing to meet minimum requirements will be notified in writing and placed on Financial Aid Warning for the next evaluation period. They will be counseled regarding actions required to attain satisfactory requirements by the next evaluation point. During the Financial Aid Warning period, students are eligible, if applicable, to receive financial aid funds.

If, at the end of the Financial Aid Warning period, the student still has not met both the attendance and academic progress requirements, he/she will be ineligible for Title IV assistance.

A student may appeal the Financial Aid ineligible decision if he/she has a reason for not making satisfactory progress and if he/she can document that the circumstances that caused the unsatisfactory progress determination have in some way changed and that satisfactory academic progress standard can be met by the end of the next evaluation period. A student has five (5) calendar days from the date of notification that they are not meeting the second consecutive satisfactory progress determination to appeal the unsatisfactory progress determination. If the student appeals the decision, and prevails on appeal, they will be placed on Financial Aid Probation.

The basis for filing an appeal, such as death of a relative, injury or illness of the student, or other special circumstances, must be documented. The student may obtain an Appeal Form from the Financial Aid office, once the Appeal Form has been completed by the student it must be returned to the Financial Aid Office. ***Please see the Appeal Procedures.*** If the school grants the appeal, it may impose conditions for the student's continued eligibility to receive Title IV, such as changing schedules. If the appeal is granted the student will be placed on Financial Aid Probation for one evaluation period. If at the end of the Financial Aid Probation period the student has not met both academic and attendance requirements all federal aid will be suspended. Students may reestablish satisfactory progress by meeting minimum attendance and academic requirements at the next evaluation period.

If the student has not met academic and attendance requirements for two (2) consecutive evaluation periods, and does not prevail on appeal, the student will be determined as not making satisfactory progress and may be terminated.

This policy applies to all students regardless of whether or not they are eligible for Title IV funding programs. In order to comply with DOE requirements the terminology financial aid warning or financial aid probation will be used for both Title IV and non-Title IV students.

**For Veterans Affairs Beneficiaries-please see Addendum A, section 2 for re-instatement of VA Benefits*

APPEAL PROCEDURE

If a student is determined as not making satisfactory progress or is terminated for not making satisfactory progress, the student may appeal the negative determination. The student must submit a written appeal to the school administration within five (5) business days of not making satisfactory progress or termination. The student must include any supporting documentation of reasons why the determination should be reversed. If the student fails to appeal the decision, it will stand.

An appeal hearing will take place within 15 business days of receipt of the written appeal. This hearing will be attended by the student, parent/guardian (if the student is a dependent minor), the student's learning leader, the future professional advisor, and the school director. A decision on the student's appeal will be made within three (3) business days by the director of education and will be communicated to the student in writing. This decision will be final. *Appeal documentation will be kept in the student's permanent file.*

Should a student prevail on his or her appeal and be determined as making satisfactory progress, the student will be automatically reentered in the course, and financial aid funds will be reinstated to eligible students.

If a student is terminated for gross misconduct, which includes but is not limited to reporting to school under the influence of alcohol or illegal drugs, cheating, stealing, insubordination, threats, and/or bullying, such termination is final and may not be appealed.

STUDENT RIGHT OF ACCESS AND RECORD RETENTION POLICY

The Family Educational Rights and Privacy Act (FERPA) sets a limit on the disclosure of personally identifiable information from school records and defines the rights of students to review and request changes to the records. FERPA generally gives postsecondary students the rights to:

- ❶ Review their education records,
- ❷ Seek to amend inaccurate information in their records, and
- ❸ Provide consent for the disclosure of their records.

Students (or parents or guardians, if the student is a dependent minor) are guaranteed access to their school records, with a staff member present, within 45 days from the date of the request. Copies of all records can be requested at \$0.20 per page.

General Release of Information

Except under the special conditions described in this policy, a student must provide written consent before a school may disclose personally identifiable information from the student's education records. The written consent must:

- ❶ State the purpose of the disclosure,
- ❷ Specify the records that may be disclosed,
- ❸ Identify the party or class of parties to whom the disclosure may be made, and
- ❹ Be signed and dated.

FERPA Disclosures to Parents

While the rights under FERPA have transferred from a student's parents to the student when the student attends a postsecondary institution, FERPA does permit a school to disclose a student's education records to his or her parents if the student is a dependent student under IRS rules.

Note that the IRS definition of a dependent is quite different from that of a dependent student for Financial Student Aid (FSA) purposes. For IRS purposes, students are dependent if they are listed as dependents on their parent's income tax returns. (If the student is a dependent as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.)

A school may disclose information from a student's education records to parents in the case of a health or safety emergency that involves the student. A school may let parents of students under age 21 know when the student has violated any law or policy concerning the use or possession of alcohol or a controlled substance.

A school official may share with parents information that is based on that official's personal knowledge or observation and that is not based on information contained in an education record.

Release of Information to Regulatory Agencies

Disclosures may be made to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. "Authorized representatives" include employees of the Department, such as employees of the Office of Federal Student Aid, the Office of Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms under contract to the Department to perform certain administrative functions or studies.

In addition, disclosure may be made if it is in connection with financial aid that the student has received or applied for. Such a disclosure may only be made if the student information is needed to determine the amount of the aid, the conditions for the aid, or the student's eligibility for the aid, or to enforce the terms or conditions of the aid.

PAUL MITCHELL THE SCHOOL provides and permits access to student and other school records as required for any accreditation process initiated by the school or by the National Accrediting Commission of Career Arts and Sciences (NACCAS), or in response to a directive of said Commission.

Disclosures in Response to Subpoenas or Court Orders

FERPA permits schools to disclose education records, without the student's consent, to comply with a lawfully issued subpoena or court order.

In most cases, the school must make a reasonable effort to notify the student who is the subject of the subpoena or court order before complying, so the student may seek protective action. However, the school does not have to notify the student if the court or issuing agency has prohibited such disclosure.

A school may also disclose information from education records, without the consent or knowledge of the student, to representatives of the U.S. Department of Justice in response to an *ex parte* order issued in connection with the investigation of crimes of terrorism.

Disclosures for Other Reasons

There are two different FERPA provisions concerning the release of records relating to a crime of violence. One concerns the release to the victim of any outcome involving an alleged crime of violence (34 CFR 34 CFR 99.31 [a][13]). A separate provision permits a school to disclose to anyone the final results of any disciplinary hearing against an alleged perpetrator of a crime of violence where that student was found in violation of the school's rules or policies with respect to such crime or offense (34 CFR 99.31 [a][14]).

Directory Information

PAUL MITCHELL THE SCHOOL does not publish "directory information" on any student.

Record Maintenance

All requests for releases of information are maintained in the student's file as long as the educational records themselves are kept. Student records are maintained for a minimum of five (5) years for withdrawal students; transcripts of graduates are kept indefinitely.

Amendment to Student Records

Students have the right to seek an amendment to their school records. To seek an amendment, students must meet with the school director and bring any supporting documentation to show that the record is incorrect.

PERFORMANCE STATISTICS/JOB OUTLOOK

PAUL MITCHELL THE SCHOOL ARDMORE campus performance statistics for the calendar year 2012:

Graduation	Placement	Licensure
50%	66.67%	77.78%

According to the 2008-2009 Occupational Outlook Handbook published by the U.S. Department of Labor, overall employment of barbers and cosmetologists is expected to grow 14 % which is considered faster than the average for all occupations through the year 2016 because of increasing population and the growing demand for cosmetology services. Opportunities will be better for those licensed to provide a broad range of services.

The 2007 Job Demand Survey results indicate that salons in Oklahoma plan to hire 2,421 new employees in the next 12 months. The average annual salary for a salon professional in Oklahoma is \$33,394. This amount does not include tips and gratuities. Nationally, the average salon professional's salary is \$35,973.

As of January 2007, there were 22,024 professionals employed at Oklahoma's salons. Most important, 75% of Oklahoma salon owners who attempted to hire new employees in 2006 said they were unable to find properly trained applicants.

STUDENT PROFESSIONAL DEVELOPMENT GUIDELINES

All students must commit to and follow the Student Professional Development Guidelines during their enrollment at PAUL MITCHELL THE SCHOOL. These guidelines were established to assist in creating a safe, focused, and enjoyable learning experience.

Attendance and Documentation of Time

- ❶ The school records attendance in clock hours and gives appropriate attendance credit for all hours attended. The school does not add or deduct attendance hours as a penalty. Attendance is calculated using a computerized time clock and does not round hours. To ensure proper credit for clock hours, full-time students are required to clock in/out 4 times a day: when they arrive at school, when they leave for lunch, when they return from lunch, and when they leave at the end of the day. Part-time students are required to clock in/out 2 times a day: when they arrive at school and when they leave at the end of the day.
- ❷ The school is open from 9:00 AM to 4:30 PM for day students.
- ❸ All courses require continuous attendance.
- ❹ The prescribed attendance schedule must be maintained each week.
- ❺ Day students may not miss Saturdays.
- ❻ Students must be on time, as tardiness inhibits the learning process. Students who are late for theory class may not enter the classroom and will not receive theory credit. They may “clock in” and will be assigned special projects or assignments pertaining to their course of study. Students who are late for a specialty class or a guest artist class may attend the class, but must be accompanied into the classroom by an instructor. Students are never excused from mandatory theory class to work in the clinic.
- ❼ During the enrollment contract period, students must maintain a 90% attendance average each month in order to complete the program within the scheduled program length. Students are allowed to miss 10% of their scheduled hours before having to pay extra instructional charges. Students may use the allowed 10% of their scheduled hours for vacation, doctor appointments, illness, etc. If a student must attend additional program hours beyond his/her maximum scheduled program length due to not meeting a 90% attendance average or in order to complete academic graduation requirements, the student will be charged an additional \$10.00 for each hour scheduled to complete after the scheduled program length is reached. Extra instructional charges will be billed to the student’s account once the scheduled program length is reached.

Scheduled Program Length is defined as:

<p><i>Basic Cosmetology:</i> Hours in program = 1500 hours 10% absent hours = 150 hours Scheduled Program Length = 1650 hours</p>	<p><i>Master Instructor:</i> Hours in program = 1000 hours 10% absent hours = 100 hours Scheduled Program Length = 1100 hours</p>
<p><i>Facial/Esthetics:</i> Hours in program = 600 hours 10% absent hours = 60 hours Scheduled Program Length = 660 hours</p>	<p><i>Manicurist/nail technician:</i> Hours in program = 600 hours 10% absent hours = 60 hours Scheduled Program Length = 660 hours</p>

Please note that students who miss more than 15 consecutive calendar days will be terminated from the program.

- ⑧ Students who are late or cannot attend school must contact the school and talk to the school service desk immediately. Day students must call in by 9:00 AM; night students must call in by 1:30 PM.
- ⑨ Students must request time off from school from the Education Leader.
- ⑩ Students are required to be in attendance a minimum of seven (7) hours per day, 35 hours per week for the full-time schedule; 20 hours per week for part-time students. Holidays such as Thanksgiving, Christmas, and New Year's Day will be set according to the calendar each year. Students cannot bank hours and attend over 35 hours per week to make up for missing hours. If a student will miss hours during the week, arrangements must be made with the Learning Leader Advisor to make up those hours within the same week, or the hours missed will count against the hours allowed to miss and overtime charges can occur.
- ⑪ Lunches and breaks are scheduled for all students. Day students will take 30 minutes for lunch between 12:00 noon and 1:30 PM, if possible, according to their booking. Students should communicate with their instructor if they have not had lunch by 1:30 PM.
- ⑫ Documentation of time: Students may not leave the school premises during regular hours without an instructor's permission.
 - a. Students who leave school premises for more than 15 minutes or those who leave early must document their time by clocking out on the time clock, signing the sign-out sheet, and having an instructor book them out.
 - b. Students who leave school premises for less than 15 minutes must sign the sign-out sheet.
 - c. Day students must clock out on the time clock for lunch for 30 minutes every day. Students will not receive credit for the hour if they fail to clock in/out for lunch.
- ⑬ Students may not clock in or out for another student.
- ⑭ Students must keep a record of all services each day on the "service tracking sheet," which must be completed daily and turned in every month.

COACHING AND CORRECTIVE ACTION

Part of your learning experience includes fine-tuning and mastering the skills and behaviors of a salon professional. The school team will coach all students to correct noncompliant or destructive behavior.

The following actions may be inspected for noncompliance:

- ❶ **Attendance and Documentation of Time Guidelines:** Attendance, promptness, and documentation of work are cornerstones of successful work practices. Students may be clocked out, released for the day, or suspended when they do not comply with guidelines.
- ❷ **Professional Image Standards:** Professional image standards were created to provide guidance and direction to students as they develop their professional image and persona. Students may be clocked out and released for the day when they do not meet professional image standards.
- ❸ **Sanitation and Personal Service Procedures:** Sanitation and personal service procedures have been established to comply with state laws and to provide a safe and clean service environment. Students may be clocked out and released for the day when they do not follow sanitation and personal service procedures.
- ❹ **Communication Guidelines and Professional Conduct:** It is the school's responsibility to provide a learning environment that is professional, positive, and conducive to learning. Staff and students all contribute to a mutually respectful learning environment that fosters effective communication and professional conduct. Students who fail to follow communication guidelines and who do not conduct themselves in a respectful and professional manner may experience suspension or termination.
- ❺ **Learning Participation Guidelines:** The learning participation guidelines have been established to provide a creative, fun, interactive, and collaborative learning environment that empowers students to act as "future salon professionals" and committed learners. Positive behavior is required to create a mutually beneficial learning environment for all students. Students who fail to meet the guidelines and create challenges for other students or staff may be released from school, suspended, or terminated.

Corrective Action Steps

Once a student has received five (5) coaching sessions, the student may be suspended from the school for five (5) days. Suspended students may only be readmitted to school upon paying the administrative termination fee. If a student receives two (2) more coaching sessions after readmissions from a 5 day suspension, the student's attendance may be permanently terminated. A student may be terminated without prior coaching sessions for improper and /or immoral conduct. Refer to the schools Future Professional Advisory.

When monitoring students for unofficial withdrawals, the school is required to count any days that a student was out of school on suspension as a part of the 14 consecutive days of non-attendance used to determine whether the student will be returning to school.

We believe in providing a quality environment with an exceptional educational program. This framework gives everyone the opportunity to enjoy the experience. The entire staff appreciates the students' respect of these guidelines.

POLICIES AND PROCEDURES FOR STUDENTS WITH DISABILITIES

- ❶ Accommodation Procedures for Students with Disabilities
- ❷ Grievance Procedures for Students who have Complaints on the Basis of Disability

❶ Accommodation Procedures for Students with Disabilities

Non-Discrimination Policy — It is the policy of Paul Mitchell The School to comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act which are Federal laws that prohibit discrimination on the basis of disability. Paul Mitchell The School does not discriminate on the basis of disability against a qualified person with a disability in regard to application, acceptance, grading, advancement, training, discipline, graduation, or any other aspect related to a student's participation in a program of Paul Mitchell The School. This applies to all students and applicants for admission to The School. Paul Mitchell The School will provide reasonable accommodations to students with disabilities.

Definition of an Individual with a Disability — An *individual with a disability* is a person who has a physical or mental impairment which substantially limits one or more major life activities of the individual. These persons are protected by Section 504 of the Rehabilitation Act and the Americans with Disabilities Act (ADA). Individuals with a record of such an impairment and individuals who are regarded as having such an impairment are also protected by these Federal laws. The definition of "disability" in Section 504 and the ADA should be interpreted to allow for broad coverage.

The phrase *physical impairment* means a physiological disorder or condition, a cosmetic disfigurement, or an anatomical loss, that affects one or more of the following body systems: neurological; musculoskeletal; special sense organs (which would include speech organs that are not respiratory such as vocal cords, soft palate, tongue, etc.); respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine. Examples include, but are not limited to, orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, HIV disease (symptomatic or asymptomatic), tuberculosis, drug addiction, and alcoholism.

The phrase *mental impairment* means any mental or psychological disorder, including but not limited to, mental retardation, organic brain syndrome, emotional or mental illness, specific learning disabilities, post-traumatic stress disorder, depression and bi-polar disorder. The phrase substantially limits must be interpreted without regard to the ameliorative effects of mitigating measures, other than ordinary eyeglasses or contact lenses. Mitigating measures are things like medications, prosthetic devices, assistive devices, or learned behavioral or adaptive neurological modifications that an individual may use to eliminate or reduce the effects of an impairment. These measures cannot be considered when determining whether a person has a substantially limiting impairment. An impairment that is episodic or in remission is a disability if, when in an active phase, it would substantially limit a major life activity. For example, a student with bipolar disorder would be covered if, during manic or depressive episodes, the student is substantially limited in a major life activity (e.g., thinking, concentrating, neurological function, or brain function).

The phrase *major life activities* means functions such as caring for one's self, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating and working. Major life activities also includes major bodily functions such as functions of the immune system, normal cell growth, and digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

The School's Responsibilities to Students with Disabilities

The School must provide *academic adjustments*, *auxiliary aids* and *reasonable accommodations* to students with disabilities, that are necessary to ensure students are not denied the benefits of, or excluded from participation in, The School's program. The School must make modifications to its academic requirements that are necessary to ensure that the requirements do not discriminate against students with disabilities. The School must ensure that it provides physical access to students with disabilities. It is also the responsibility of Paul Mitchell The School to permit students with disabilities to use service dogs on each campus.

The person responsible for implementing these responsibilities at Paul Mitchell The School Tysons Corner Campus is: Amber Pershica; ADA Compliance Coordinator; 607 Commerce St., Ardmore, OK 73401; (580) 526-6000; admissions@ardmore.paulmitchell.edu.

When a student informs a School staff member that the student is disabled, or needs accommodations or assistance due to disability, the staff member will refer the Student to The School's ADA Compliance Coordinator.

Procedures for Students and The School

Documentation of disability by students — Students with disabilities who wish to request reasonable accommodations (including academic adjustments, auxiliary aids, or modifications) must contact the ADA Compliance Coordinator named above for their campus. Students must provide documentation of disability from an appropriate professional, which depends on the nature of the disability. For example, a student with a psychological disability should provide documentation from a psychologist, psychiatrist or social worker.

This documentation may be the student's existing medical records, or reports created by the student's medical provider or an appropriate professional who conducts an assessment of the student. It may be documentation from the student's past educational records such as reports from teachers or school psychologists, or records that show the student's educational history, disability assessment, and the accommodations the student previously received. It may be records from the state department of rehabilitation or the U.S. Department of Veterans Affairs. Documentation should be current and relevant, but that does not mean that a recent report or record is needed in all cases. Some disabilities are stable lifelong conditions and historic documentation will be sufficient. Some disabilities are readily apparent and observable and thus little or no documentation will be needed.

The documentation of disability is kept at all times in a locked, private file at The School. To protect privacy, direct access to this documentation is by written consent only. The ADA Compliance Coordinator will determine what information needs to be shared with Paul Mitchell The School staff and Learning Leaders, on an "as needed basis," in order to facilitate academic accommodations or other services.

Student requests for accommodations and interactive discussion with ADA Compliance Coordinator — Students who plan to request accommodations should contact the ADA Compliance Coordinator promptly, so there is time for the Coordinator to review the student's documentation and discuss accommodations with the student before the student begins the class or program for which the accommodation is being requested. When a student contacts the Coordinator, the Coordinator will keep a record of the dates and contacts with the student, including a record of the accommodations requested by the student. Students who have questions about the type of documentation they need to provide should contact the Coordinator to discuss this.

The student and the ADA Compliance Coordinator will discuss how the student's impairment impacts the student, how the student expects the impairment to impact the student in The School's program, the types of accommodations the student has previously received (if any), and the accommodations being requested by the student from The School. The Coordinator and the student should discuss accommodations needed during all phases of the program (Core, Adaptive and Creative), and for classroom instruction, skills based instruction and skills practice.

The documentation (or observation) must show the nature of the student's disability and how it limits a major life activity. The accommodations requested by the student should be related to these limitations. There are no pre-set accommodations for specific disabilities. Instead, the Coordinator and the student must discuss and determine what the student's limitations are, and how they can be accommodated.

Here are some examples:

- A student with an orthopedic disability may need cushioned floor mats and scheduled times to sit down. These students may also need particular kinds of chairs.
- A student with a learning disability or attention deficit disorder may need extra time to take tests, such as ninety minutes to take a test instead of the sixty minutes allowed to other students. These students may need to take their tests in a location that is quiet and has no distractions, such as an office rather than the classroom.
- A student with a learning disability or psychological disability may need a note taker, a copy of the instructor's notes or presentation, or to use a tape recorder during instruction.
- A student with post-traumatic stress disorder or an anxiety disorder may need to take periodic leaves of absence, or may need to structure their program so that it is scheduled over a longer period of time than usual. These students may need to take breaks in a quiet room during skills practice.
- A student with a hearing impairment may need instructors to use voice amplification systems, or may need the School to provide a sign language interpreter.
- A student with diabetes may need periodic breaks to check his or her blood sugar level.

Decision about accommodations, and ensuring implementation of accommodations — The ADA Compliance Coordinator will decide the accommodations to be provided to the student. The Coordinator will consider any past accommodations that have been effective for the student, and will give primary consideration to the type of accommodation requested by the student. Alternate accommodations may be provided if there is an alternative accommodation that would be equally effective for the student.

The Coordinator will make a decision no later than two weeks after the student states the request for an accommodation. If the student does not submit documentation of a disability at the time the student requests an accommodation, the Coordinator will make a decision no later than two weeks after the student provides the documentation.

The Coordinator will list the approved accommodations in writing and provide this to the student. The Coordinator will inform the appropriate Learning Leaders and school staff of the accommodations they are responsible for providing to the student, how to provide the accommodations, and when to provide the accommodations. The Coordinator will keep a written record of these contacts about the student's accommodations. The Coordinator will verify that the accommodations are being implemented for the student through direct observation, report by the student, and/or documentation from The School staff. If the student informs the Coordinator that an accommodation is not being fully implemented, the Coordinator will immediately intervene with relevant staff members to ensure the accommodation is provided to the student.

After accommodations have been approved for a student, the Coordinator will make an appointment with the student for a time when the student's program is expected to change. The purpose of the appointment is to determine whether the student's accommodations should be changed when the student's program phase changes, or the type of instruction changes.

Additional factors — The School is not obligated to provide accommodations that would result in a fundamental alteration of The School's program. In this case, the Coordinator will promptly search for an equally effective alternate accommodation for the student that would not fundamentally alter the program. The Coordinator will offer the alternate accommodation to the student.

The School is not obligated to provide accommodations that would result in an undue financial or administrative burden on The School. If the Coordinator decides that a requested accommodation might impose such a burden, the Coordinator will discuss the issue with The School owner, who will take into account the overall financial resources of The School. The School owner will make the final decision, in accord with the requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act. If The School owner determines that the requested accommodation would be an undue burden, the Coordinator will promptly search for an equally effective alternate accommodation for the student and offer the alternate accommodation to the student.

Appeals by Students

A student may appeal any accommodation decision made by the ADA Compliance Coordinator if the student disagrees with the decision. Here are some examples: A student may appeal the Coordinator's decision to deny a requested accommodation. A student may appeal a decision by the Coordinator to provide an alternate accommodation rather than the specific accommodation requested by a student. A student may appeal a decision by the Coordinator that the student has not presented sufficient documentation to support the requested accommodation. A student may also file an appeal when a school staff member fails to provide an approved accommodation, and the Coordinator has not effectively addressed the situation.

When a student wishes to file an appeal, the student must notify Amber Pershica; Director; 607 Commerce St., Ardmore, OK 73401; (580) 526-6000; amberp@ardmore.paulmitchell.edu. The student must explain his/her reasons for disagreeing with the Coordinator's decision, or explain how the student's accommodation is not being implemented, and submit any relevant documentation.

Within five calendar days of receiving a student's appeal the Director will meet with the student and the Coordinator to discuss the issues presented by the student's appeal. If appropriate, the Director will also discuss the issues with other School staff members.

When a student appeals a decision made by the Coordinator, the Director will determine whether the Coordinator's decision should be revised or remain the same. If the decision is revised, the Director will ensure that the revised decision is implemented.

When a student files an appeal on the basis that an approved accommodation is not being implemented, the Director will determine whether the accommodation is being fully implemented, and if it is not, ensure that the accommodation is implemented. The Director will inform the student of the decision in writing no later than fourteen days after receiving the student's appeal.

Training and Mediation Responsibilities of the ADA Compliance Coordinator

The ADA Compliance Coordinator at each campus will deliver disability training sessions for all campus staff members at least once each calendar year. In these training sessions the Coordinator will explain the basic requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act as they apply to The School. The Coordinator will address: The School's responsibility to provide accommodations to students with disabilities; how to appropriately interact with students with particular kinds of disabilities; how to go about implementing accommodations that the Coordinator has approved for students; how to support students with disabilities in The School's programs; that students with disabilities cannot be penalized for using approved accommodations. The Coordinator will keep a record of each training session.

The Coordinator may also provide trainings for students who wish to learn about The School's process for providing accommodations, or about The School's grievance procedures.

To help ensure that future campus staff members and students are aware of The School's policies, the Coordinator will make sure that the Accommodations Procedures and the Grievance Procedures are continually posted at the campus.

The Coordinator will assist students with disabilities who have concerns about implementation of their accommodations or their treatment by The School staff members or other students. At the request of a student, the Coordinator will informally mediate or attempt to resolve issues related to the student's disability. If this informal process does not resolve the student's concerns, the student may file a grievance as described in Section II below.

② Grievance Procedures for Students who have Complaints on the Basis of Disability

Paul Mitchell The School is responsible for providing a grievance procedure to students who feel they have been discriminated against on the basis of disability. The grievance procedure provides students the opportunity to file a complaint. The School then has the responsibility to objectively investigate the allegations in the complaint and determine whether the student has been discriminated against. If The School determines that discrimination occurred, The School must take appropriate steps to correct the discrimination and prevent it from reoccurring.

Grievance complaints — A student may file a grievance if the student feels he or she has been discriminated against because the student is disabled, or because the student is regarded as being disabled, or because the student has a record of being disabled. A student may also file a grievance if the student feels that he or she has been retaliated against for advocacy based on disability. Here are some examples of discrimination:

- An instructor or other students refer to the student in a derogatory way related to the student's disability.
- An instructor generally refers to students with particular types of disability in a derogatory way.
- Other students refuse to work with the student because the student is disabled.
- A School staff member refuses to provide a service to the student that the staff member provides to other students.
- A school staff member takes a negative action toward the student after the student asked for accommodations for a disability.
- A guest presenter at The School makes derogatory statements about students with disabilities, or states that students with disabilities can never be employed in the presenter's field.
- A student's request for accommodation was denied by The School, or an instructor did not implement an accommodation for the student that was approved by The School.

A student must file a grievance complaint within 90 days of the date the discriminatory act occurred, or within 90 days of the end of an informal attempt to resolve the complaint, whichever is later. The complaint must be written. In the complaint, the student must describe what happened and the dates the acts took place, and state who was involved. The student should explain why the student believes the acts were taken based on disability. The student should describe or provide copies of any relevant documents or emails, if available.

A student may ask the Campus ADA Compliance Coordinator to try and informally resolve the student's complaint before the student files a written complaint. However, the student is not required to try informal resolution before filing a written complaint.

The complaint must be sent to Amber Pershica; Director; 607 Commerce St., Ardmore, OK 73401; (580) 526-6000; amberp@ardmore.paulmitchell.edu.

Investigation of the Complaint — When the Director receives a written complaint, the Director will immediately begin an objective investigation. The School has the right to contract with an independent investigator to conduct any investigation. Within seven days, the Director will discuss the allegations in the complaint with the student, and obtain any needed additional information from the student. The Director will obtain from the student the names of any persons the student believes will have relevant information. The Director will gather all information necessary to determine what took place. To do so, the Director will interview any School staff members or students who engaged in the actions or may have witnessed the actions that the student is complaining about. The Director will interview persons that the student stated may have relevant information. The Director will gather any relevant documents such as emails, student work or instructor's records. During the investigation, the Director will disclose the complaint, and confidential information about the student, only to the extent necessary to investigate the allegations of the complaint.

After reviewing all the evidence gathered, the Director will determine whether the student was treated differently from other students based on disability; or whether the student was harassed based on disability; or whether the student was retaliated against because the student advocated on the basis of disability; or whether the student was denied an accommodation that The School should have provided to the student.

Written Decision — The Director will provide the student with a written decision no later than sixty days after the date the student filed the complaint. The decision will state the determination reached by the Director at the conclusion of the investigation, and the reasons the Director reached that determination. If the Director concludes that the student was discriminated against on the basis of disability, the decision will state the types of remedial action that The School has taken or will take to correct the discrimination. The decision will also state how The School will prevent the discriminatory acts from occurring again.

Appeals by Students — If the student who filed the complaint disagrees with the decision made by the Director, or disagrees with the remedial action specified, the student may appeal the decision to The School Owner. The appeal must be written and sent to Amber Pershica; Director; 607 Commerce St., Ardmore, OK 73401; (580) 526-6000; amberp@ardmore.paulmitchell.edu. The appeal must state the specific reasons that the student disagrees with the decision. Appeals must be filed no later than thirty days after the student receives the written decision from the Director.

The Owner will review all the information provided by the student in the appeal, the decision by the Director, the interview records made by the Director and the documents gathered by the Director. The Owner will issue a written decision to the student within fourteen days after receiving the student's appeal. The Owner will determine whether the decision should be revised or remain the same. If the Owner determines that the decision should be revised, the Owner will ensure that any necessary changes in the remedies are implemented.

STUDENT CONSUMER INFORMATION

Provisions of the Higher Education Amendment of 1976 require that effective July 1, 1977, each post-secondary institution which receives Federal Financial Aid funds must make certain student consumer information available to any enrolled or prospective student who request such information.

This section compiled by the Financial Aid office staff attempts to meet the requirements.

The school is approved for and participates in Federal PELL Grants, Subsidized Direct loans, Unsubsidized Direct Loans, and Parent PLUS loans. Such programs help to defray the costs of attending school for those students eligible for financial aid consideration.

Financial aid is any mechanism that reduces out of pocket costs that the students and/or parents must pay to obtain a specific post-secondary education. Put differently, financial aid is monies made available to help students meet the cost of the program. Financial aid includes grants and need and non-need loans.

Need-based financial aid is available to families that demonstrate a financial need for additional resources. The formula below is used to determine how much financial need a student has:

Cost of Attendance – Expected Family Contribution (EFC) = Financial Need

Non-Need is the difference between the cost of education and Financial Need.

Based on these calculations Federal Aid may not cover all the cost of attendance.

All financial aid is awarded to students who qualify based on the following:

- ❶ Criteria making a student ELIGIBLE includes citizen or permanent non-citizen alien recipient codes 1-151, 1-551, and 1-94.

COPYRIGHT MATERIAL POLICY FOR PAUL MITCHELL THE SCHOOL

material in this program is, unless otherwise stated, the property of PAUL MITCHELL THE SCHOOL. Reproduction or retransmission of the materials, in whole or in part, in any manner, without the prior written consent of the copyright holder, is a violation of copyright law.

At PAUL MITCHELL THE SCHOOL we abide by the provisions of the federal Digital Millennium Copyright Act (DMCA), which requires prompt response to claims of copyright infringement by copyright holders or their agents. If the school receives an allegation of copyright infringement based on your use of the school's computers, the matter will be referred to the school director for further investigation. If you are found responsible after meeting with the school director, you are subject to disciplinary action including loss of network access, suspension or termination from school, and/or restitution or community service.

The Internet is an essential tool in everyone's lives for both academic and everyday pursuits. Along with these benefits come responsibilities. One of the most critical is conforming to the copyright laws governing music, movies, games, and software over the Internet. You must have the consent of the copyright holder to make copies.

The consequences of copyright infringement also extend outside of the school. Copyright holders may assess civil liability and even criminal prosecution. Recently, the Recording Industry Association of America (RIAA) has adopted the practice of sending schools pre-litigation settlement letters to be forwarded to individuals offering them "the opportunity to resolve copyright infringement claims against them at a discounted rate." Published reports indicate that the minimum settlement is \$3,000.00 per case.

Another reason to be careful with file-sharing programs is that the installation procedures for most of them enable default open access worldwide to information on your system; thus, the integrity of your computer and personal information can be compromised through illegal file sharing, including making you vulnerable to identity theft.

To facilitate student access to legal sources of music and video online, we have listed a couple of sites below:

- ❶ **iTunes:** This Apple store works with both Windows and Mac operating systems. Currently, over 99% of their song catalog is "unlocked," meaning you can transfer the songs to any device or computer you own.
- ❷ **eMusic.com:** This site features mostly independent and jazz/blues music. They offer low prices for signing up (up to 45 songs for free), and a good portion of their catalog can be purchased for about \$0.50 to \$0.89/song.
- ❸ **Netflix.com:** For about \$7.99/month, you can set up an online list of over 20,000 movies that can be streamed directly to your computer.

SOCIAL NETWORKING POLICY

Paul Mitchell Schools respect the rights of students to use social media during their personal time. Social media includes all forms of publicly accessible communications, which include but are not limited to written and verbal communications (including podcast and video uploads) and all forms of electronic communication including discussion groups, forums, newsgroups, e-mail distribution, blog postings, and/or social networking sites (such as Facebook, MySpace, Twitter, YouTube, Friendster, etc.). Students are personally responsible for the content they publish on social networking sites. Students are expected to treat each other with fairness and respect, consistent with the Paul Mitchell Schools culture.

Paul Mitchell Schools do not permit ethnic slurs, personal insults, obscenity, intimidation, cyber-bullying, or engaging in conduct that would be unbecoming of a Paul Mitchell Future Professional and misrepresent the Paul Mitchell Schools culture. Paul Mitchell Schools reserve the right to request the removal of any posts at their discretion and to take necessary disciplinary action as appropriate.

ADDENDUM A – Veterans Affairs Beneficiary Policies

These policies only apply to those students receiving VA Benefits.

Section 1: Attendance Requirements

It is required that all students receiving VA Benefits maintain an overall attendance average of 85%. The attendance percentage of each student will be checked monthly to make sure they are maintaining that requirement.

If a student is not maintaining an 85% attendance average, they will be put on probation for the next month (30 days). If after the 30 day probationary period the student is still not maintaining an 85% attendance average, their VA Benefits will be terminated.

Section 2: Re-Instatement of VA Benefits

If a student has lost their eligibility for VA benefits due to not maintaining the required 85% attendance average two (2) months in a row, their benefits may be re-established once their attendance returns to the 85% requirement.

If a student applies for re-entry to the school and is granted re-entry, their VA benefits will be re-instated accordingly.

Section 3: Evaluation of Prior Credit

We evaluate and accept a maximum of 500 hours for students who transfer from another school, but only if certified. For students transferring from another Paul Mitchell School all transfer hours will be accepted. The length of the program will be shortened proportionately for students with transfer hours.
