

**Be Nice
(Or Else!)**

High School Club and Motivational Team

What is it?

Be Nice (Or Else!) team members are students and staff who embody the Be Nice culture using the book *Be Nice (Or Else!)* as their guide by encouraging a “give back” attitude and spreading love in their school and community.

How does it work?

Team members support the team and they:

- Must be an example and help others using the Be Nice culture.
- Recognize students in need and offer support through phone calls, love notes, etc.
- Host events to bring awareness in their school and community.
- Exhibit a “Be Nice” attitude and motivate others to become part of the Be Nice revolution.

Purpose

To Create Magic for the students, staff, school, and community and motivate others to become involved in the Be Nice revolution.
