COSMETOLOGY COURSE OVERVIEW

Course Hours: 1600 clock hours

The course is divided into pre-clinical classroom instruction and clinical service learning experiences.

- **Pre-clinical Classroom Instruction:** The first 210 hours are devoted to classroom workshops where students learn design principles, technical information, and professional practices.

- **Clinic Learning Experience:** The remaining 1390 hours are spent in the clinic area where practical experience is gained.

COSMETOLOGY COURSE OUTLINE

Your time at PAUL MITCHELL THE SCHOOL for the cosmetology program will be divided into six designations:

- **Core Curriculum:** A 210-hour orientation, known as the Core program, instills the basic fundamentals. Students are graded and evaluated using written, oral, and practical testing methods. Students must successfully complete the Core curriculum prior to attending regularly scheduled daily classes in cutting, coloring, permanent waving, and chemical texture services.

- **Protégé Learning Experience:** Your experience as a Protégé produces a smooth transition from Core student to Adaptive student. You spend 70 hours as a Protégé preparing you for the clinic experience.
Clinic Learning Experience: Your clinic time from 280 to 1600 hours will be guided with individual attention and group learning experiences using workshops, monthly worksheets, and periodic tests developed specifically for this monitoring progress. This is when you begin working on paying clients in the clinic floor area.

Classroom Learning Experience: Your classroom time from 280 to 1600 hours is divided into five (5) areas: cutting, coloring, texture, makeup, and nails. Each area has a specialist in the field who conducts the different elective classes once a week; these may include guest artists, retail, motivation, self-improvement, nail artistry, makeup, etc.

Adaptive Curriculum: From 280 to 800 hours you will enter a new phase of elective classroom workshops coupled with challenging practical services designed to continue building you into a confident designer.

Creative Curriculum: You will spend your last 800 hours in PAUL MITCHELL THE SCHOOL in “high gear” by dressing, acting, and working like a true professional. FINANCIAL AID – CONSUMER INFORMATION

In accordance with federal regulations set forth by the Higher Education Act of 1965, as amended, Paul Mitchell the Schools provides the Student Handbook as means to disseminate required student consumer and “Right-To-Know” Act information. The school’s Financial Aid Office offers assistance to students seeking financial aid for their educational costs while complying with all federal, state and institutional regulations. Anyone seeking financial aid information or assistance, or seeking consumer information at the school will be provided with access to the required financial aid forms and disclosures, the school Student Handbook and the school catalog which provides a brief description of the Financial Aid process and explains how financial aid information and assistance may be obtained.

Financial Aid Office — The Financial Aid Office’s mission is to provide optimal customer service while helping students secure financial assistance to cover as much of their educational expenses as possible. The school’s Financial Aid Representative is available in person or by telephone during normal business operating hours to help students determine an affordable way to pay for school.

Student Financing Options — Paul Mitchell the Schools offers a variety of financing options and payment terms to help students finance their education. Financing options consist of federal grants, loans and cash pay options.

Primary Financing Options

| 1 | Cash Payment — The Cash option allows students to either pay their program costs in full prior to the start date of the program or make monthly payment until the balance is paid in full. |
|   | Documents required for full Cash paying students are: Enrollment Agreement and Disclosure Statements. |

| 2 | VA Contract Billing Program — Students who are eligible to receive tuition assistance from the Veteran’s Administration must submit the military form to the school’s Financial Aid Office prior to the first class session in order for the school’s Financial Aid Office to bill the Veteran Affair for the student’s program costs. |
|   | Documents required for students participating in the Employer/Agency Contract Billing Program are: Enrollment Agreement, Disclosure Statements, Approved Tuition Authorization Form, Tuition Voucher or Military Form(s). |

Financial Aid Programs — Financial aid consists of funding provided through federal sources to help cover educational expenses. This funding consists of Pell Grant that not have to be repaid and loans that have a variety of repayment options. Financial Aid is available for those who qualify and there are different types of Financial Aid Programs. The school Financial Aid Representative can assist students in determining if they qualify for any of the following types of Financial Aid:

| 1 | Federal Pell Grant: The Federal Pell Grant is a need-based federal grant for undergraduate students and it does not require repayment. |

| 2 | William D. Ford Direct Loan Program: The William D. Ford Direct Loan Program offers low interest, government-funded loans that include Direct Stafford Loans (subsidized and unsubsidized), Direct Parent Loans (PLUS) and Direct Consolidation Loans. These long-term loans are available to students who are enrolled at least half-time in school. |
|   | Direct Subsidized Stafford Loan: The Direct Subsidized Stafford Loan is a need-based loan. The interest rate varies annually and is paid by the government while students are in school at least half-time and during any periods of deferment. Loan repayment begins six months after students graduate, leave school or drop below half-time enrollment status. |
**Direct Unsubsidized Stafford Loan:** The Direct Unsubsidized Stafford Loan is a non-need-based loan available to all eligible students regardless of income. The interest rate varies annually and begins to accrue at the time of disbursement. Students are responsible for paying accrued interest but may choose to defer and capitalize interest payments. Loan repayment begins six months after students graduate, leave school or drop below half-time status.

**Direct Parent Loans for Undergraduate Students (PLUS):** For students who qualify as a dependent, parents may choose to use the Direct Parent Loans for Undergraduate Students to borrow up to the total cost of their child’s education, minus any other aid the child may be eligible for. The loan is credit based, the interest rate varies annually and loan interest begins to accrue at the time of disbursement. Loan repayment typically begins within 60 days after the loan has been fully disbursed.

**Documents required for students applying for any type of Federal Financial Aid are:**

1. Enrollment Agreement and Disclosure Statements
2. Free Application for Federal Student Aid (FAFSA)
3. Federal Student Loan Entrance Counseling Confirmation Page
4. Direct Loan Master Promissory Note
5. Title IV Credit Balance Authorization
6. Other Documents as Required

**Note:** Students whose parents are applying for a PLUS loan will require additional documents such as credit approval and a PLUS Master Promissory Note. Students who are selected for verification will require additional documents upon the school’s request.

**Admissions Disclosure Statement (Only for Recipients of Stafford Student Loans) —** The school is required by federal law to advise you that, except in the case of a loan made or originated by the institution, your dissatisfaction with or non-receipt of the educational services being offered by this institution, does not excuse you (the borrower) from repayment of any Stafford loan made to you (the borrower) for enrollment at this institution.

**Veterans Assistance and Loans (VA) —** Veterans, active duty service persons, reservists or otherwise eligible members (such as spouses and dependents) may be eligible to qualify for various VA educational assistance programs. Eligibility criteria for military educational assistance and benefits vary by state and school. Applicants must first check with the Veterans Affairs Administration Office to see if they qualify for benefits.

Students who receive VA educational benefits are still required to select one of the school’s primary financing options (e.g. Financial Aid, Cash) to cover educational costs and related expenses not covered directly by the VA. All payments must be made in accordance with the school’s financial policies and procedures.

Students who have questions about these benefits should contact the U.S Department of Veteran Affairs.
Financial Aid Process and Information

Applying for Financial Aid — Students who are interested in applying for Federal Financial Aid assistance are required to complete and sign a Free Application for Federal Student Aid (FAFSA) and several forms (electronic and/or hard copy) to begin the process. All documents must be submitted in a timely manner to allow the Financial Aid Office adequate time to process an application for Financial Aid. To apply for Financial Aid, the student must complete the following steps 1-4 by accessing the website https://studentloans.gov:

1. Apply and obtain a federal student aid PIN
2. Complete and submit the Free Application for Federal Student Aid (FAFSA)
3. Complete a Federal Student Loan Entrance Counseling Session
4. Complete and submit the Direct Loan Master Promissory Note

In addition, the student must complete and submit other required forms or documentation as requested by the school’s Financial Aid Office.

Compliance Statement — The Federal Privacy Act of 1974 requires that students be notified in the event the disclosure of their social security number is mandatory. Students’ social security numbers are used to verify students’ identities and to process the awarding of funds, collection of funds, and tracing of individuals who have borrowed funds from Federal, State or private programs.

Student Eligibility for Financial Aid — The Free Application for Federal Student Aid will ask a series of questions that will determine a student’s eligibility and dependency status. If a student is considered a dependent, the student will need to provide their parents’ information as well.

Federal eligibility requirements to apply for Financial Aid include:

- Being a U.S. citizen or eligible non-citizen such as a permanent resident, or in the United States for other than temporary purposes.
- Having a valid social security number.
- Having a valid form of identification.
- Being registered for the draft with the Selective Service, for males who are at least 18 years old and born after December 31, 1959.
- Having a high school diploma, GED or equivalent.
- Not owing a refund on a federal grant or being in default on a federal educational loan.
- Being enrolled or accepted for enrollment as a regular student in an eligible program.
- Making satisfactory academic progress (refer to the school catalog for the definition of satisfactory progress).
- Not having previously received a Bachelor’s degree for Federal Supplemental Educational Opportunity Grant (FSEOG) and Federal Pell Programs.

Note: For the purposes of applying for Financial Aid, a dependent student is an undergraduate who is under the age of 24, not married, has no legal dependents, is not an orphan or ward of the court, and is not a Veteran of the U.S. Armed Forces.
Submitting the FAFSA — Once a student completes and submits a FAFSA, the information contained on the FAFSA is reviewed by the Department of Education's Central Processing System (CPS). An estimated family contribution (EFC) will be calculated using a formula approved by Congress, which is based on the student’s (and/or spouse or parent’s) income and asset information. The student's EFC will determine the amount of Federal Pell Grant funds the student may be eligible to receive. In certain cases, verification of information submitted may be required. If the student’s FAFSA is selected by the Department of Education's CPS, the school will be required to complete additional steps to ensure the information the student provided on the FAFSA is correct.

Determining Financial Need — The student’s financial need is the difference between the actual cost of their education and the amount that the student (or parents) will contribute (the EFC). Financial Aid is then used to cover the gap between these contributions and the total cost of the student’s education.

Here's how it works:

<table>
<thead>
<tr>
<th>Cost of Attendance (COA)</th>
<th>tuition, fees, books, supplies, room &amp; board, transportation, &amp; miscellaneous personal expenses</th>
</tr>
</thead>
<tbody>
<tr>
<td>-  The student’s Expected Family Contribution (EFC)</td>
<td></td>
</tr>
<tr>
<td>=  The student’s financial need</td>
<td></td>
</tr>
</tbody>
</table>

Each school and each program within the school has a different student expense budget. This will depend upon the tuition, course length, books, fees, supplies, etc. To illustrate how student budgets are determined, refer to the following sample chart provided by the California Student Aid Commission for 2013-2014 award year using an adequate standard of living for various conditions. Actual tuition, books, fees, and supplies for a program in which the student enrolls can be obtained from the school’s Financial Aid Office.

Note: These amounts are used in the determination of a student’s need only. The need calculation estimates total living costs for an academic year. This amount does not represent the amount a student will need to pay the school or the amount of Financial Aid that can be awarded to a student.
Verifying FAFSA Information — A student applying for Financial Aid may be required to verify the information submitted on their Free Application for Federal Student Aid (FAFSA). This inquiry is known as Verification and is required by the Department of Education. If a student’s application is selected for verification, the school will require the student to submit any or several of the following items within a specified time frame in order to continue processing Financial Aid:

- Adjusted gross income (AGI) for the base year
- U.S. income taxes paid for the base year
- Number of family members in the household
- Number of family members attending postsecondary education as at least half-time students
- Any child support received
- Any food stamps received
- Other untaxed income and benefits
- High school completion status
- Identity/Statement of Educational Purpose

All of the required information must be submitted by the due date in order for the student applying for Financial Aid to be eligible for federal assistance. In cases where this is not possible, the student will be required to pay cash or set up a satisfactory payment arrangement to maintain their regular enrollment status.

Receiving an Award Notification — After careful evaluation of a student’s Financial Aid application, the student’s eligibility for Financial Aid is determined and the school issues an Award Letter detailing the student’s estimated Cost of Attendance, the Financial Aid awards by fund type, the estimated disbursement dates and estimated disbursement amounts of aid. The school’s Financial Aid Representative will discuss the contents of the Award Letter with the student and the student will acknowledge receipt of the Award Letter.

Maintaining Regular Enrollment Status and Satisfactory Academic Progress — After the student’s eligibility is determined, the amount of Financial Aid and the receipt of funds are contingent upon the student’s (a) enrollment status and (b) ability to meet satisfactory academic progress:

A. Maintaining Enrollment Status
   - To receive benefit of a grant, a student must be enrolled as a full time student, as defined by the school for financial aid purposes.
   - To receive Federal Direct Loan funds, a student must be enrolled in at least half-time, as defined by the school for financial aid purposes.
   - The amount of certain federal grants and loans may be adjusted or prorated, depending on the student’s enrollment status. The school must administer federal aid in accordance with federal regulations.
   - A student’s financial aid award may be adjusted up through the last day of attendance for tuition adjustment due to enrollment changes.
   - A student who registers for classes but does not attend at least one class session is not eligible to receive federal, state, or institutional funds.

B. Meeting Satisfactory Academic Progress
   - A student receiving Financial Aid must maintain certain standards of academic progress toward graduation, and the school is required to have and enforce a policy to check academic progress throughout the course of the student’s program of study. Therefore, an eligible student applying for Financial Aid must maintain the school’s standards of academic progress in order to be eligible to receive Financial Aid funds.
Disbursing Financial Aid Funds — Financial Aid is disbursed in increments throughout the student’s payment periods or period of enrollment. A payment period is the length of time the student takes to earn a specific number of hours of attendance in school. Upon a student meeting eligibility, a student’s Financial Aid funds are disbursed at the beginning of each payment period. The following is an example of how funds are scheduled to disburse for an eligible student in a 1600-hour program:

<table>
<thead>
<tr>

</tr>
<tr>
<td>Payment Period 3</td>
<td>Payment Period 4</td>
</tr>
<tr>
<td>350 hours</td>
<td>350 hours</td>
</tr>
</tbody>
</table>

Receiving a Disbursement Notification — The school must notify a student (or parent) of when Financial Aid funds are disbursed and credited to the student’s account by issuing a Dear Borrower Letter and student ledger card. The student (or parent) will be notified upon funds are being credited to the student account.

Note: The Ledger Card indicates the net disbursement amount received by the school. The actual loan disbursements received may differ slightly from the amount expected to be receive due to loan fees and rounding differences.

Changing Enrollment Status after Receipt of Financial Aid — A student’s decision to drop or change a program of study is based on academic and personal considerations and should be made in consultation with the School Director and the Financial Aid Office. Changing program schedules, dropping coursework, withdrawing from school has implications for student eligibility of Financial Aid funds and may result in a balance owed to the school.

Returning Title IV Funds (R2T4) — A student earns their Financial Aid (Title IV) funds on a prorated basis over the first 60% of the scheduled hours for each payment period. After attending 60% of scheduled hours of the payment period, the student is eligible to retain 100% of the Title IV funds scheduled for that payment period.

As a result, the school is required to return Financial Aid (Title IV) funds, if a student receiving Financial Aid withdraws during the first 60 percent of the scheduled hours for that payment period. The refund calculation and process is governed by federal regulation, and the school is required (a) to determine the portion of aid earned by the student up until the date of withdrawal and (b) to refund or repay the amount of unearned aid.

Note: For the purposes of the Title IV refund policy, the student’s official withdrawal is the date the student initiated the withdrawal process or notified the school of their intention to withdraw. In the event of an unofficial withdrawal, the school determines the student’s last date of attendance that is documented in the school’s records and uses that date as the withdrawal date. The U.S. Federal Government determines the amount of Title IV funds a student has earned, as of the withdrawal date.

If a student withdraws, the school is required to calculate and return all unearned financial aid for that payment period and is subject to the Return of Title IV policy. As a result, the school must (a) Complete the refund calculation in a timely manner, (b) Adjust the awards, (c) Refund/repay the unearned aid, and (d) Notify the student in writing of the refund calculation results. If a refund of Title IV funds is required, funds are returned to the appropriate Federal Aid Program(s) in the following order:

1. Federal Unsubsidized Direct Loan Program
2. Federal Subsidized Direct Loan Program
3. Federal Direct PLUS Program
4. Federal Pell Grant Program
5. Federal SEOG Program
6. Other Title IV Programs
7. Other federal, state, private and institutional programs
8. Student
**Institutional Refund Calculation** — If a student withdraws prior to the completion of their program of study, the school is required to perform an institutional refund calculation to determine whether the student is eligible for a refund of monies paid based on a pro-rata calculation formula up to sixty percent (60%) of the scheduled hours completed within their period of enrollment. Should the number of scheduled hours completed during student’s enrollment exceed sixty percent (60%) of the total hours in their period of enrollment, the institution shall have earned and retained 100 percent of the institutional charges assessed to the student. If a student withdraws from their program of study after the enrollment cancellation period, the student is entitled to a refund per the pro rata calculation mentioned above less a registration fee not to exceed $100.00, within forty-five (45) days of the student withdrawal or termination from the program.

**Reapplying for Financial Aid** — As eligibility for Financial Aid is evaluated at the beginning of each academic year, a student must submit a new financial aid application for each academic year of their enrollment. If the student does not complete their term or payment period by June 30 of each award year, financial assistance may change and the student will need to reapply for Financial Aid by submitting a new financial aid application.

**Seeking Additional Information** — Students (and/or parents) who wish to seek additional information about Financial Aid and the Financial Aid process can refer to:

- The school’s Financial Aid page located on the school home page via the intranet
- The Department of Education’s guide to Funding Your Education, which can be downloaded from the websites [www.studentloans.gov](http://www.studentloans.gov) or [www.fafsa.ed.gov](http://www.fafsa.ed.gov)

FEDERAL RETURN OF TITLE IV FUNDS POLICY

The school participates in federal financial aid. Please refer to the following refund policy for specific consumer information pursuant to the Federal Financial Aid program.

1. Students who receive loans are responsible for repaying the loan amount, plus any interest, less the amount of any refunds, and if the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid for federal student financial aid program funds.

2. For students who have received Title IV financial assistance, the Federal Return of Title IV Funds calculation will be completed first and applicable funds returned. Returned funds will be reduced from the payments received on behalf of the student before applying the institutional refund policy to determine whether the student is owed a refund or if a balance is owed to the institution.

3. If a student has received less aid than that student earned, he/she may be eligible for a post-withdrawal disbursement. If a student is eligible for this disbursement, the school will notify the student in writing of the amount he/she is eligible. The student will have 14 days to accept or decline the disbursement. If an acceptance is not received within this time frame, the institution will not make the post-withdrawal disbursement to the student.

4. The Federal Return of Title IV Funds formula dictates the amount of federal Title IV aid that must be returned to the federal government or the lending institution by the school and/or the student. The federal formula is applicable to an eligible student receiving federal aid when that student withdraws on or before the 60% point in time in the payment period.

5. The federal formula requires a return of Title IV aid if the student received federal financial assistance in the form of Stafford Loans, Pell Grants, or Plus loans and withdraws on or before completing 60% of the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. The percentage that has not been earned is calculated by determining the complement of the percentage earned (e.g., if 40% was earned, 60% was unearned).

6. The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date. The percentage of the payment period scheduled to complete is calculated by dividing the total number of clock hours scheduled to complete by the payment period as of the last date of attendance.

7. If a student unofficially withdraws and has received federal loans, the loans will go into repayment.

8. If a student has received Federal Student Financial Aid Funds, the student is entitled to a refund of moneys not paid from Federal Student Financial Aid Program Funds.

NOTE: A student who withdraws prior to completing 60% of the charging period may be required to repay some of the funds released to the student because of credit balance on the student’s account.

The following Title IV refund distribution is used for all financial aid applicants/students due a refund:

1. Federal Unsubsidized Stafford Loan
2. Federal Subsidized Stafford Loan
3. Federal Plus Loan
4. Federal Pell Grant

0.00 - 0.00 = 0.00

Box K Box Q

- If Box Q is < or = zero, STOP. If > zero, go to Step 8.

### STEP 8: Repayment of the Student’s Loans

From the Net loans disbursed to the student (Box B) subtract the Total loans the school must return (Box P) to find the amount of Title IV loans the student is still responsible for repaying (Box R).

- 6,727.00 - 0.00 = 6,727.00

Box B Box P Box R

- If Box Q is less than or equal to Box R, STOP.
- The only action a school must take is to notify the holders of the loans of the student’s withdrawal date.
- If Box Q is greater than Box R, Proceed to Step 9.

### STEP 9: Grant Funds to be Returned

S. Initial amount of Title IV grants for student to return

From the initial amount of unearned Title IV aid due from the student (Box Q) subtract the amount of loans to be repaid by the student (Box R).

0.00 - 6,727.00 = 0.00

Box Q Box R

T. Amount of Title IV grant protection

Multiply the total of Title IV grant aid that was disbursed and that could have been disbursed for the period (Box F) by 50%.

2,775.00 - 50.00% = 0.00

Box F

U. Title IV grant

From the initial amount of unearned Title IV aid due from the student (Box S) subtract the amount of loans to be repaid by the student (Box T).

0.00 - 0.00 = 0.00

Box S Box T Box U

- If Box U is less than or equal to zero, STOP.
- If not, go to step 10.

### STEP 10: Return of Grants Funds by the Student

Except as noted below, the student must return the unearned grant funds for which he/she is responsible (Box U). The grant funds returned by the student are applied to the following sources in the order indicated, up to the total amount disbursed from that grant program minus any grant funds that school is responsible for returning to that program in Step 6.

Note that the student is not responsible for returning funds to any program to which the student owes $50.00 or less.

2. Academic Competitiveness Grant
3. National SMART Grant
4. FSEOG
5. TEACH Grant

INSTITUTIONAL REFUND/DROP POLICY “STUDENT’S RIGHT TO CANCEL”

Any monies due the student shall be refunded within 30 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:

a. A student is not accepted by the school. This student shall be entitled to a refund of all monies paid to the school except a non-refundable application fee.

b. A student (or in the case of a student under legal age, his/her parent or guardian) cancels his/her contract and demands his/her money back in writing, until the first day of class session or the seventh (7) calendar day of signing the enrollment contract, whichever is later. In this case all monies collected by the school shall be refunded except a non-refundable application fee. This policy applies regardless of whether or not the student has actually started training.

c. A student who cancels his/her contract after the seventh (7) calendar day of signing the contract but prior to entering classes is entitled to a refund of all monies paid to the school less an application fee of $75.00.

d. A student notifies the institution of his/her official withdrawal in writing.

e. A student is expelled by the institution.

f. For official cancellations as defined in paragraphs b, c, d, or e, the cancellation date will be determined by the postmark on written notification at the following address: Paul Mitchell The School Costa Mesa, 3309 Hyland Avenue, Suite J, Costa Mesa, CA 92626, or by the date said information is delivered to the school administrator/owner in person. Written cancellations need not take any particular form.

g. Monies paid for student kit is nonrefundable unless the student cancels within 7 (seven) business days of signing the enrollment contract or the student cancels prior to entering class.

You have the right to cancel your enrollment contract and obtain a refund of charges paid through attendance at the first class session, or the seventh (7) calendar day after enrollment, whichever is later. YOU MUST CANCEL IN WRITING. Students do not have the right to cancel by telephoning the school or by not coming to class.

Any monies due a student who unofficially withdraws from the institution shall be refunded within 45 days of a determination by the institution that the student has withdrawn without notifying the institution. Unofficial withdrawals are monitored every 30 days and a determination is made to withdraw a student who has been absent from school for 14 or more consecutive calendar days; the withdrawal date that will be used in this calculation is the student’s actual last date of attendance.

When situations of mitigating circumstances are in evidence, such as serious illness, a disabling accident, or death in the immediate family, the school may make a settlement that is reasonable and fair to both parties.

All extra costs, such as books, equipment, graduation fees, application fee, rentals, and other such charges, are not considered in the tuition adjustment computation if the charges are itemized separately in the enrollment contract.

Monies paid for supplies and equipment are nonrefundable after seven (7) calendar days of signing the enrollment contract, but prior to entering classes, whichever is later.

If a course and/or program is cancelled subsequent to a student’s enrollment, and before instruction in the course and/or program has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.

If a course and/or program is cancelled and ceases to offer instruction after the student has enrolled and instruction has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.

For students who terminate prior to completion, an administration fee in the amount of $100.00 will be assessed.
A student’s account may be sent to collections for nonpayment.

If the school closes permanently and no longer offers instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student.

A student is entitled to a refund of moneys not paid from federal student aid program funds.

An institution that participates in the federal student financial aid programs complies with this article by complying with applicable regulations of the federal student financial aid programs under Title IV of the federal Higher Education Act of 1965.

The institution shall also provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance.

Step 1: Identify all amounts paid for instruction less cost of equipment.

Step 2: Subtract Registration/Application fee not to exceed $250.00.

Step 3: Apply a pro rata refund based on the percentage of scheduled hours completed in the program.

PAUL MITCHELL THE SCHOOL does not have a pending petition in bankruptcy, has never filed for bankruptcy petition within the preceding five (5) years, nor operated as a debtor in possession or had a petition of bankruptcy filed against it within the preceding five (5) years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code.

You have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, which is until the first day of class session, or the seventh (7) calendar day after enrollment, whichever is later, the school will remit a refund less a registration fee, if applicable, within 30 days following your withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment.

IF THE AMOUNT YOU HAVE PAID IS MORE THAN THE AMOUNT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 30 DAYS OF WITHDRAWAL. IF THE AMOUNT YOU OWE IS MORE THAN THE AMOUNT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.
REMEMBER, YOU MUST CANCEL IN WRITING. You do not have the right to cancel by telephoning the school or failing to attend classes. If you have any complaints, questions, or problems that you cannot resolve with the school, write or call the Bureau for Private Postsecondary Education 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833 or by calling tool-free (888)370-7589 or (916) 431-6959 or by fax (916) 263-1894.

STUDENT FINANCIAL AID RELEASE

The undersigned agrees that PAUL MITCHELL THE SCHOOL does not guarantee the student loan process in any respect. A Federal Parent Plus loan requires a credit check and is based on the parent’s credit. Pre-approval for a Parent Plus loan does not guarantee that the parent will receive a Federal Parent Plus loan. It is critical that the parent be able to pass a credit check when the loan is certified. The school has no control over the approval or decline of a parent’s credit history. Nor does the school assume any responsibility for mistakes on any Department of Education financial aid forms. It is up to the student to make sure all forms are accurate and complete.

POLICY FOR VERIFICATION OF TITLE IV FUNDING

The school has policies and procedures that it follows for verification of Title IV funding. Verification is a requirement by the U.S. Department of Education. Students are randomly selected to provide additional information. The school provides students with a verification form so they can collect the necessary information. The school gives the student a 30-day deadline to return the form to the financial office with verification items attached. If verification documents are not submitted by the due date, the student will be placed on a monthly cash pay status until verification is completed. The corporate office sends to the school a change in EFC form for students to sign if their EFC changes. FAME handles our student overpayments and alerts the school so it can make changes to the award packet, which is reported to Common Origination and Disbursement (COD) for the Department of Education.

ELIGIBILITY OF FINANCIAL AID AFTER A DRUG CONVICTION

Students will be given written notice advising them that a conviction of illegal drugs, of any offense, during an enrollment period for which the student was receiving Title IV financial aid will result in the loss of eligibility for any Title IV per HEA Sec. 484(r)(1) and 20 U.S.C. 1091(r)(1). Students whose eligibility has been suspended due to a drug conviction may resume eligibility if they successfully pass two (2) unannounced drug tests conducted by a drug rehabilitation program that complies with criteria established under HEA Sec. 484(r)(2) (20 U.S.C. 1091(r)(2)).

VETERANS’ SATISFACTORY PROGRESS POLICY

When the grade average of a veteran or eligible person falls below 70%, the student will be placed on academic probation for one month. If at the end of the probation period the student’s grades are still below 70%, veterans’ benefits will be terminated. Once minimum academic progress standards are met, benefits can be reinstated. When a student’s attendance falls below 70%, the student will be placed on attendance probation for one month. If at the end of the probation period the student’s attendance is still below 70%, veterans’ benefits will be terminated. Once minimum attendance standards are met, benefits can be reinstated.
MAKEUP WORK

Students must complete all required assignments and tests. To accommodate students, makeup test days and worksheet periods are scheduled. Students must complete makeup work at the scheduled time. Monthly makeup test dates are posted on the theory and school calendars.

SATISFACTORY ACADEMIC PROGRESS POLICY

Students enrolled in programs approved by NACCAS must meet formal standards that measure their satisfactory progress toward graduation. The Satisfactory Academic Progress policy is provided to all students prior to enrollment. The policy is consistently applied to all applicable students. Evaluations are maintained in the student file. The school will develop an academic plan to address the specific needs of those students who fail to meet the academic requirements at specific SAP evaluation points.

QUANTITATIVE AND QUALITATIVE FACTORS

Factors for measuring the student’s progress toward satisfactory completion of the program include maintaining:

1. A minimum cumulative Theory grade level of 70% or higher.
2. A minimum cumulative academic level of 70% or higher on practical worksheet completion.*
3. To determine whether a student meets the academic requirements for Satisfactory progress, theory and practical grades are averaged together to give a cumulative academic grade of 70% or higher.
4. A minimum cumulative attendance of 80% of their scheduled hours**

*To meet the state practical requirements for graduation, students must eventually complete monthly practical worksheets 100%. See LEARNING PARTICIPATION GUIDELINES.

**To determine your rate of attendance, divide the cumulative number of hours completed by the scheduled hours to date.

A student who has not achieved the minimum cumulative GPA of 70% and/or who has not successfully completed at least a cumulative rate of attendance of 80% is not eligible for Title IV assistance, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in status of probation.
COMPLETION OF COURSE WITHIN DESIGNATED PERIOD OF TIME

Full-time day students attend five (5) days (Tuesday through Saturday), 35 hours per week, from 9:00 AM to 4:30 PM. Part-time night school students attend four (4) days (Monday through Thursday), 20 hours per week, from 5:00 PM to 10:00 PM. Information regarding other course schedules is available upon inquiry.

The state of California requires 1600 clock hours for the cosmetology course. Students are expected to complete the course in no more than 125% of the program length. If a student is never absent, he/she should complete the course within 45.71 weeks for a full-time student and 80 weeks for a part-time student.

The state of California requires 1500 clock hours for the barbering course. Students are expected to complete the course in no more than 125% of the program length. If a student is never absent, he/she should complete the course within 42.86 weeks for a full-time student and 75 weeks for a part-time student.

The state of California requires 400 clock hours for the barber to cosmetology and cosmetology to barber crossover courses. Students are expected to complete the course in no more than 125% of the program length. If a student is never absent, he/she should complete the course within 11.43 weeks for a full-time student and 20 weeks for a part-time student.

The state of California requires 600 hours for the esthetics course. Students are expected to complete the course in no more than 125% of the program length. If a student is never absent, he/she should complete the course within 17.14 weeks for a full-time student and 30 weeks for a part-time student.

MAXIMUM TIME FRAME

Students must complete the educational program within the maximum time frame, which is based on attending at least 80% of the scheduled hours.

LEAVE OF ABSENCE, INTERRUPTIONS, COURSE INCOMPLETES, AND WITHDRAWALS

The school does not have a leave of absence policy. If the student needs to take off more time than allotted in the contract or more than 14 consecutive calendar days, he/she must drop and reenroll when ready to return. Students who withdraw prior to completing the course of study and who wish to reenter will reenter at the same progress status as applicable at the time of withdrawal. Course incompletes, repetitions, and noncredit remedial courses have no effect upon the school’s satisfactory progress standards.

EVALUATION PROCEDURES AND REQUIRED LEVEL OF ACHIEVEMENT

Formal Satisfactory Progress Evaluations in both attendance and academics will occur when cosmetology students reach 450, 900, and 1250 actual hours and barbering students reach 450, 900, and 1200 actual hours. In the Esthetics program Formal Satisfactory Progress Evaluations will occur when the student reaches 300 and 500 actual hours. In 400 hour program, evaluations will occur monthly. At least one evaluation will occur prior to the midpoint of the academic year.

The following grading system is used to evaluate a student’s academic ability:

1. Examinations are given in all subjects.
2. Grades and attendance (Satisfactory Academic Progress) records are reviewed and signed by the student and maintained in the student’s financial file. The student may request to review their financial aid file from the Financial Aid Leader or Director.

The following grading scale is used for theory progress:

- **C = 70 – 79%**
- **Failing = Below 70%**

Practical and clinical work is graded by a signature on the student’s practical clinic worksheet or guest ticket. A signature from an instructor represents a passing grade which means all elements of the practical grading criteria were met. No signature indicates a failing score which means one or more of the practical grading criteria elements were not met and the student has not met minimum satisfactory standards on the practical application. Students are required to continue and/or repeat the practical application until they receive a signature from an instructor.

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory progress until the next scheduled evaluation.

REINSTATEMENT OF FINANCIAL AID for those who qualify

If applicable, Title IV financial aid will be reinstated to qualified students who have prevailed upon appeal or who have reestablished satisfactory progress by meeting the minimum cumulative attendance and academic requirements.
PROBATION AND REESTABLISHMENT OF SATISFACTORY PROGRESS

Students failing to meet minimum requirements will be notified in writing and placed on Financial Aid Warning for the next evaluation period. They will be counseled regarding actions required to attain satisfactory requirements by the next evaluation point. During the Financial Aid Warning period, students are eligible, if applicable, to receive financial aid funds.

If, at the end of the Financial Aid Warning period, the student still has not met both the attendance and academic progress requirements, he/she will be ineligible for Title IV assistance.

A student may appeal the Financial Aid ineligible decision if he/she has a reason for not making satisfactory progress and if he/she can document that the circumstances that caused the unsatisfactory progress determination have in some way changed and that satisfactory academic progress standard can be met by the end of the next evaluation period. A student has five (5) calendar days from the date of notification that they are not meeting the second consecutive satisfactory progress determination to appeal the unsatisfactory progress determination. If the student appeals the decision, and prevails on appeal, they will be placed on Financial Aid Probation.

The basis for filing an appeal, such as death of a relative, injury or illness of the student, or other special circumstances, must be documented. The student may obtain an Appeal Form from the Financial Aid office, once the Appeal Form has been completed by the student it must be returned to the Financial Aid Office. Please see the Appeal Procedures. If the school grants the appeal, it may impose conditions for the student’s continued eligibility to receive Title IV, such as changing schedules. If the appeal is granted the student will be placed on Financial Aid Probation for one evaluation period. If at the end of the Financial Aid Probation period the student has not met both academic and attendance requirements all federal aid will be suspended. Students may reestablish satisfactory progress by meeting minimum attendance and academic requirements at the next evaluation period.

If the student has not met academic and attendance requirements for two (2) consecutive evaluation periods, and does not prevail on appeal, the student will be determined as not making satisfactory progress and may be terminated.

This policy applies to all students regardless of whether or not they are eligible for Title IV funding programs. In order to comply with DOE requirements the terminology financial aid warning or financial aid probation will be used for both Title IV and non-Title IV students.
APPEAL PROCEDURE

If a student is determined as not making satisfactory progress or is terminated for not making satisfactory progress, the student may appeal the negative determination. The student must submit a written appeal to the school administration within five (5) business days of not making satisfactory progress or termination. The student must include any supporting documentation of reasons why the determination should be reversed. If the student fails to appeal the decision, it will stand.

An appeal hearing will take place within 15 business days of receipt of the written appeal. This hearing will be attended by the student, parent/guardian (if the student is a dependent minor), the student’s learning leader, future professional advisor, and the school director. A decision on the student’s appeal will be made within three (3) business days by the director of education and will be communicated to the student in writing. This decision will be final. *Appeal documentation will be kept in the student’s permanent file.*

Should a student prevail on his or her appeal and be determined as making satisfactory progress, the student will be automatically reentered in the course, and financial aid funds will be reinstated to eligible students.

If a student is terminated for gross misconduct, which includes but is not limited to reporting to school under the influence of alcohol or illegal drugs, cheating, stealing, insubordination, threats, and/or bullying, such termination is final and may not be appealed.
STUDENT RIGHT OF ACCESS AND RECORD RETENTION POLICY

The Family Educational Rights and Privacy Act (FERPA) sets a limit on the disclosure of personally identifiable information from school records and defines the rights of students to review and request changes to the records. FERPA generally gives postsecondary students the rights to:

1. Review their education records,
2. Seek to amend inaccurate information in their records, and
3. Provide consent for the disclosure of their records.

Students (or parents or guardians, if the student is a dependent minor) are guaranteed access to their school records, with a staff member present, within 45 days from the date of the request. Copies of all records can be requested at $0.20 per page.

General Release of Information

Except under the special conditions described in this policy, a student must provide written consent before the school may disclose personally identifiable information from the student’s education records. The written consent must:

1. State the purpose of the disclosure,
2. Specify the records that may be disclosed,
3. Identify the party or class of parties to whom the disclosure may be made, and
4. Be signed and dated.

FERPA Disclosures to Parents

While the rights under FERPA have transferred from a student’s parents to the student when the student attends a postsecondary institution, FERPA does permit a school to disclose a student’s education records to his or her parents if the student is a dependent student under IRS rules.

Note that the IRS definition of a dependent is quite different from that of a dependent student for Financial Student Aid (FSA) purposes. For IRS purposes, students are dependent if they are listed as dependents on their parent’s income tax returns. (If the student is a dependent as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.)

A school may disclose information from a student’s education records to parents in the case of a health or safety emergency that involves the student.

A school may let parents of students under age 21 know when the student has violated any law or policy concerning the use or possession of alcohol or a controlled substance.

A school official may share with parents information that is based on that official’s personal knowledge or observation and that is not based on information contained in an education record.

Release of Information to Regulatory Agencies

Disclosures may be made to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. “Authorized representatives” include employees of the Department, such as employees of the Office of Federal Student Aid, the Office of Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms under contract to the Department to perform certain administrative functions or studies.
In addition, disclosure may be made if it is in connection with financial aid that the student has received or applied for. Such a disclosure may only be made if the student’s information is needed to determine the amount of the aid, the conditions for the aid, or the student’s eligibility for the aid, or to enforce the terms or conditions of the aid.

PAUL MITCHELL THE SCHOOL provides and permits access to student and other school records as required for any accreditation process initiated by the school or by the National Accrediting Commission of Career Arts and Sciences (NACCAS), or in response to a directive of said Commission.

**Disclosures in Response to Subpoenas or Court Orders**

FERPA permits schools to disclose education records, without the student’s consent, to comply with a lawfully issued subpoena or court order.

In most cases, the school must make a reasonable effort to notify the student who is the subject of the subpoena or court order before complying, so the student may seek protective action. However, the school does not have to notify the student if the court or issuing agency has prohibited such disclosure.

The school may also disclose information from education records, without the consent or knowledge of the student, to representatives of the U.S. Department of Justice in response to an ex parte order issued in connection with the investigation of crimes of terrorism.

**Disclosures for Other Reasons**

There are two FERPA provisions concerning the release of records relating to a crime of violence. One concerns the release to the victim of any outcome involving an alleged crime of violence (34 CFR 34 CFR 99.31[a][13]). A separate provision permits a school to disclose to anyone the final results of any disciplinary hearing against an alleged perpetrator of a crime of violence where that student was found in violation of the school’s rules or policies with respect to such crime or offense (34 CFR 99.31[a][14]).

**Directory Information**

PAUL MITCHELL THE SCHOOL does not publish “directory information” on any student.

**Record Maintenance**

All requests for releases of information are maintained in the student’s file as long as the educational records themselves are kept. Student records are maintained for a minimum of five (5) years for withdrawal students; transcripts of graduates are kept indefinitely. The student may contract the school’s Financial Aid Leader or Director for copies of their educational and financial records.

**Amendment to Student Records**

Students have the right to seek an amendment to their school records. To seek an amendment, students must meet with the school director and bring any supporting documentation to show that the record is incorrect.

PAUL MITCHELL THE SCHOOL must prepare the completion and graduation rate of its certificate- or degree-seeking, first-time, full-time undergraduate students each year. The annual rates are based on the 12-month period that ended August 31 of the prior year. The rates will track the outcomes for students for whom 150% of the normal time for completion or graduation has elapsed. Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institution's catalog. These rates are generated from the school student record management system and are combined rates.

PERFORMANCE STATISTICS/JOB OUTLOOK

Paul Mitchell The School Costa Mesa is accredited by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and recognized by the U.S. Department of Education. Each agency requires schools to provide important information regarding outcome rates in the areas of completion, placement, and licensure; however, each agency requires that we provide outcome rates differently. NACCAS requires schools to list the outcome rates for each main campus and all additional campuses as a whole. In this case, Paul Mitchell The School Costa Mesa is an additional campus of Paul Mitchell The School Provo, the outcome rates provided are for all schools under this structure. The U.S. Department of Education, requires outcome rates be provided based upon the individual location. Outcome rates have also been provided for the individual school you are interested in attending. If you have any questions regarding our outcome rates, please see our Admissions Team for assistance.

Since 1990, NACCAS has commissioned several Job Demand Surveys to provide quantitative data on cosmetology careers, earnings potential, and job openings. The most recent survey, completed in May 2007, compiled data from 6,203 salons responding to a national survey.

The 2007 Job Demand Survey results indicate that salons in California plan to hire 45,967 new employees in the next 12 months. The average annual salary for a salon professional in California is $44,134. This amount does not include tips and gratuities. Nationally, the average salon professional’s salary is $35,973.

As of January 2007, there were 103,074 professionals employed at California’s salons. Most important, 69% of California salon owners who attempted to hire new employees in 2006 said they were unable to find properly trained applicants.

STUDENT PROFESSIONAL DEVELOPMENT GUIDELINES

All students must commit to and follow the Student Professional Development Guidelines during their enrollment at PAUL MITCHELL THE SCHOOL. These guidelines were established to assist in creating a safe, focused, and enjoyable learning experience.

Attendance and Documentation of Time

1. The school records attendance in clock hours and gives appropriate attendance credit for all hours attended. The school does not add or deduct attendance hours as a penalty. Attendance is calculated using a computerized time clock and does not round hours. In order to ensure proper clock hours are credited, full-time students are required to clock in/out 4 times a day: when they arrive to school, when they leave for lunch, when they return from lunch, and when they leave at the end of the day. Part time students are required to clock in/out 2 times a day: when they arrive to school and when they leave at the end of the day.

2. The school is open from 9:00 AM to 4:30 PM for day students and 5:00 PM to 10:00 PM for night students.

3. All courses require continuous attendance.

4. The prescribed attendance schedule must be maintained each week. Alternate schedules are available to those students who qualify.

5. Night students may not miss Mondays; day students may not miss Saturdays.

6. Students must be on time, as tardiness inhibits the learning process. Students who are late for theory class may not enter the classroom and will not receive theory credit. They may “clock in” and will be assigned special projects or assignments pertaining to their course of study. Students who are late for a specialty class or a guest artist class may attend the class, but must be accompanied into the classroom by an instructor. Students are never excused from mandatory theory class to work in the clinic.

7. During the enrollment contract period, Applicant must maintain a 90% attendance average each month in order to complete the program within the Scheduled program length. The Applicant is allowed to miss 10% of his or her scheduled hours before having to pay extra instructional charges. The Applicant may use the allowed 10% of his/her scheduled hours for vacation, doctor appointments, illness, etc. If the Applicant must attend additional Program hours beyond his/her maximum Scheduled Program length due to attendance problems or to complete academic graduation requirements, the applicant will be charged an additional $11.82 (cosmetology); $9.33 (barbering); $7.60 (crossover); and $16.67 (esthetics) for each hour scheduled to complete after the Scheduled Program length is reached.

Scheduled Program Length is defined as:

<table>
<thead>
<tr>
<th>Cosmetology:</th>
<th>Barbering:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Hours in program = 1600 hours</td>
<td>Hours in program = 1500 hours</td>
</tr>
<tr>
<td>10% absent hours = 160 hours</td>
<td>10% absent hours = 150 hours</td>
</tr>
<tr>
<td>Scheduled Program Length = 1760 hours</td>
<td>Scheduled Program Length = 1650 hours</td>
</tr>
</tbody>
</table>

<table>

<td>10% absent hours = 60 hours</td>
</tr>
<tr>
<td>Scheduled Program Length = 440 hours</td>
<td>Scheduled Program Length = 660 hours</td>
</tr>
</tbody>
</table>

Please note that if a student misses more than 14 consecutive calendar days, the student will be terminated from the program.
1. Students who are late or cannot attend school must contact the school and talk to the school service desk immediately. Day students must call in by 8:00 AM; night students must call in by 1:30 PM.

2. Students must request time off from school from the Education Leader.

3. Students are required to be in attendance a minimum of seven (7) hours per day, 35 hours per week for the full-time schedule; 20 hours per week for part-time students. Holidays such as Thanksgiving, Christmas, and New Year's Day will be set according to the calendar each year. Students cannot bank hours and attend over 35 hours per week to make up for missing hours. If a student will miss hours during the week, arrangements must be made with the Learning Leader Advisor to make up those hours within the same week, or the hours missed will count against the hours allowed to miss and overtime charges can occur.

4. Lunches and breaks are scheduled for all students. Day students will take 30 minutes for lunch between 12:00 noon and 1:30 PM, if possible, according to their booking. Students should communicate with their instructor if they have not had lunch by 1:30 PM.

**Observe the appropriate breaks for your school schedule. Breaks are as follows:**

COACHING AND CORRECTIVE ACTION

Part of your learning experience includes fine-tuning and mastering the skills and behaviors of a salon professional. The school team will coach all students to correct noncompliant or destructive behavior.

The following actions may be inspected for noncompliance:

1. **Attendance and Documentation of Time Guidelines**: Attendance, promptness, and documentation of work are cornerstones of successful work practices. Students may be clocked out, released for the day, or suspended when they do not comply with guidelines.

2. **Professional Image Standards**: Professional image standards were created to provide guidance and direction to students as they develop their professional image and persona. Students may be clocked out and released for the day when they do not meet professional image standards.

3. **Sanitation and Personal Service Procedures**: Sanitation and personal service procedures have been established to comply with state laws and to provide a safe and clean service environment. Students may be clocked out and released for the day when they do not follow sanitation and personal service procedures.

4. **Communication Guidelines and Professional Conduct**: It is the school’s responsibility to provide a learning environment that is professional, positive, and conducive to learning. Staff and students all contribute to a mutually respectful learning environment that fosters effective communication and professional conduct. Students who fail to follow communication guidelines and who do not conduct themselves in a respectful and professional manner may experience suspension or termination.

5. **Learning Participation Guidelines**: The learning participation guidelines have been established to provide a creative, fun, interactive, and collaborative learning environment that empowers students to act as “future salon professionals” and committed learners. Positive behavior is required to create a mutually beneficial learning environment for all students. Students who fail to meet the guidelines and create challenges for other students or staff may be released from school, suspended, or terminated.

**Corrective Action Steps**

Once a student has received five (5) coaching sessions, the student may be suspended from school for five (5) days. Suspended students may only be readmitted to school upon paying the administrative termination fee. If a student receives two (2) more coaching sessions after readmission from a five (5) day suspension, the student’s attendance may be permanently terminated. A student may be terminated without prior coaching sessions for improper and/or immoral conduct. Refer to the school Future Professional Advisory.

*When monitoring students for unofficial withdrawals, the school is required to count any days that a student was out of school on suspension as a part of the 14 consecutive days of non-attendance used to determine whether the student will be returning to school.*

We believe in providing a quality environment with an exceptional educational program. This framework gives everyone the opportunity to enjoy the experience! The entire staff appreciates the students’ respect of these guidelines.
POLICIES AND PROCEDURES FOR STUDENTS WITH DISABILITIES

1. Accommodation Procedures for Students with Disabilities
2. Grievance Procedures for Students who have Complaints on the Basis of Disability

************

1. Accommodation Procedures for Students with Disabilities

Non-Discrimination Policy — It is the policy of Paul Mitchell The School to comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act which are Federal laws that prohibit discrimination on the basis of disability. Paul Mitchell The School does not discriminate on the basis of disability against a qualified person with a disability in regard to application, acceptance, grading, advancement, training, discipline, graduation, or any other aspect related to a student’s participation in a program of Paul Mitchell The School. This applies to all students and applicants for admission to The School. Paul Mitchell The School will provide reasonable accommodations to students with disabilities.

Definition of an Individual with a Disability — An individual with a disability is a person who has a physical or mental impairment which substantially limits one or more major life activities of the individual. These persons are protected by Section 504 of the Rehabilitation Act and the Americans with Disabilities Act (ADA). Individuals with a record of such an impairment and individuals who are regarded as having such an impairment are also protected by these Federal laws. The definition of “disability” in Section 504 and the ADA should be interpreted to allow for broad coverage.

The phrase physical impairment means a physiological disorder or condition, a cosmetic disfigurement, or an anatomical loss, that affects one or more of the following body systems: neurological; musculoskeletal; special sense organs (which would include speech organs that are not respiratory such as vocal cords, soft palate, tongue, etc.); respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine. Examples include, but are not limited to, orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, HIV disease (symptomatic or asymptomatic), tuberculosis, drug addiction, and alcoholism.

The phrase mental impairment means any mental or psychological disorder, including but not limited to, mental retardation, organic brain syndrome, emotional or mental illness, specific learning disabilities, post-traumatic stress disorder, depression and bi-polar disorder. The phrase substantially limits must be interpreted without regard to the ameliorative effects of mitigating measures, other than ordinary eyeglasses or contact lenses. Mitigating measures are things like medications, prosthetic devices, assistive devices, or learned behavioral or adaptive neurological modifications that an individual may use to eliminate or reduce the effects of an impairment. These measures cannot be considered when determining whether a person has a substantially limiting impairment. An impairment that is episodic or in remission is a disability if, when in an active phase, it would substantially limit a major life activity. For example, a student with bipolar disorder would be covered if, during manic or depressive episodes, the student is substantially limited in a major life activity (e.g., thinking, concentrating, neurological function, or brain function).

The phrase major life activities means functions such as caring for one’s self, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating and working. Major life activities also includes major bodily functions such as functions of the immune system, normal cell growth, and digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.
The School's Responsibilities to Students with Disabilities

The School must provide academic adjustments, auxiliary aids and reasonable accommodations to students with disabilities, that are necessary to ensure students are not denied the benefits of, or excluded from participation in, The School's program. The School must make modifications to its academic requirements that are necessary to ensure that the requirements do not discriminate against students with disabilities. The School must ensure that it provides physical access to students with disabilities. It is also the responsibility of Paul Mitchell The School to permit students with disabilities to use service dogs on each campus.

The person responsible for implementing these responsibilities at Paul Mitchell The School Costa Mesa Campus is: Robyn Wilder and/or Caprice LePante; ADA Compliance Coordinator; 3309 Hyland Avenue, Suite J, Costa Mesa, CA 92626; (714) 546-8786; admissions@costamesa.paulmitchell.edu.

When a student informs a School staff member that the student is disabled, or needs accommodations or assistance due to disability, the staff member will refer the Student to The School's ADA Compliance Coordinator.

Procedures for Students and The School

Documentation of disability by students — Students with disabilities who wish to request reasonable accommodations (including academic adjustments, auxiliary aids, or modifications) must contact the ADA Compliance Coordinator named above for their campus. Students must provide documentation of disability from an appropriate professional, which depends on the nature of the disability. For example, a student with a psychological disability should provide documentation from a psychologist, psychiatrist or social worker.

This documentation may be the student’s existing medical records, or reports created by the student’s medical provider or an appropriate professional who conducts an assessment of the student. It may be documentation from the student’s past educational records such as reports from teachers or school psychologists, or records that show the student’s educational history, disability assessment, and the accommodations the student previously received. It may be records from the state department of rehabilitation or the U.S. Department of Veterans Affairs. Documentation should be current and relevant, but that does not mean that a recent report or record is needed in all cases. Some disabilities are stable lifelong conditions and historic documentation will be sufficient. Some disabilities are readily apparent and observable and thus little or no documentation will be needed.

The documentation of disability is kept at all times in a locked, private file at The School. To protect privacy, direct access to this documentation is by written consent only. The ADA Compliance Coordinator will determine what information needs to be shared with Paul Mitchell The School staff and Learning Leaders, on an “as needed basis,” in order to facilitate academic accommodations or other services.

Student requests for accommodations and interactive discussion with ADA Compliance Coordinator — Students who plan to request accommodations should contact the ADA Compliance Coordinator promptly, so there is time for the Coordinator to review the student’s documentation and discuss accommodations with the student before the student begins the class or program for which the accommodation is being requested. When a student contacts the Coordinator, the Coordinator will keep a record of the dates and contacts with the student, including a record of the accommodations requested by the student. Students who have questions about the type of documentation they need to provide should contact the Coordinator to discuss this.
The student and the ADA Compliance Coordinator will discuss how the student’s impairment impacts the student, how the student expects the impairment to impact the student in The School’s program, the types of accommodations the student has previously received (if any), and the accommodations being requested by the student from The School. The Coordinator and the student should discuss accommodations needed during all phases of the program (Core, Adaptive and Creative), and for classroom instruction, skills based instruction and skills practice.

The documentation (or observation) must show the nature of the student’s disability and how it limits a major life activity. The accommodations requested by the student should be related to these limitations. There are no pre-set accommodations for specific disabilities. Instead, the Coordinator and the student must discuss and determine what the student’s limitations are, and how they can be accommodated.

Here are some examples:

- A student with an orthopedic disability may need cushioned floor mats and scheduled times to sit down. These students may also need particular kinds of chairs.
- A student with a learning disability or attention deficit disorder may need extra time to take tests, such as ninety minutes to take a test instead of the sixty minutes allowed to other students. These students may need to take their tests in a location that is quiet and has no distractions, such as an office rather than the classroom.
- A student with a learning disability or psychological disability may need a note taker, a copy of the instructor’s notes or presentation, or to use a tape recorder during instruction.
- A student with post-traumatic stress disorder or an anxiety disorder may need to take periodic leaves of absence, or may need to structure their program so that it is scheduled over a longer period of time than usual. These students may need to take breaks in a quiet room during skills practice.
- A student with a hearing impairment may need instructors to use voice amplification systems, or may need the School to provide a sign language interpreter.
- A student with diabetes may need periodic breaks to check his or her blood sugar level.

Decision about accommodations, and ensuring implementation of accommodations — The ADA Compliance Coordinator will decide the accommodations to be provided to the student. The Coordinator will consider any past accommodations that have been effective for the student, and will give primary consideration to the type of accommodation requested by the student. Alternate accommodations may be provided if there is an alternative accommodation that would be equally effective for the student.

The Coordinator will make a decision no later than two weeks after the student states the request for an accommodation. If the student does not submit documentation of a disability at the time the student requests an accommodation, the Coordinator will make a decision no later than two weeks after the student provides the documentation.

The Coordinator will list the approved accommodations in writing and provide this to the student. The Coordinator will inform the appropriate Learning Leaders and school staff of the accommodations they are responsible for providing to the student, how to provide the accommodations, and when to provide the accommodations. The Coordinator will keep a written record of these contacts about the student’s accommodations. The Coordinator will verify that the accommodations are being implemented for the student through direct observation, report by the student, and/or documentation from The School staff. If the student informs the Coordinator that an accommodation is not being fully implemented, the Coordinator will immediately intervene with relevant staff members to ensure the accommodation is provided to the student.

After accommodations have been approved for a student, the Coordinator will make an appointment with the student for a time when the student’s program is expected to change. The purpose of the appointment is to determine whether the student’s accommodations should be changed when the student’s program phase changes, or the type of instruction changes.
Additional factors — The School is not obligated to provide accommodations that would result in a fundamental alteration of The School's program. In this case, the Coordinator will promptly search for an equally effective alternate accommodation for the student that would not fundamentally alter the program. The Coordinator will offer the alternate accommodation to the student.

The School is not obligated to provide accommodations that would result in an undue financial or administrative burden on The School. If the Coordinator decides that a requested accommodation might impose such a burden, the Coordinator will discuss the issue with The School owner, who will take into account the overall financial resources of The School. The School owner will make the final decision, in accord with the requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act. If The School owner determines that the requested accommodation would be an undue burden, the Coordinator will promptly search for an equally effective alternate accommodation for the student and offer the alternate accommodation to the student.

Appeals by Students

A student may appeal any accommodation decision made by the ADA Compliance Coordinator if the student disagrees with the decision. Here are some examples: A student may appeal the Coordinator’s decision to deny a requested accommodation. A student may appeal a decision by the Coordinator to provide an alternate accommodation rather than the specific accommodation requested by a student. A student may appeal a decision by the Coordinator that the student has not presented sufficient documentation to support the requested accommodation. A student may also file an appeal when a school staff member fails to provide an approved accommodation, and the Coordinator has not effectively addressed the situation.

When a student wishes to file an appeal, the student must notify Kenda Woodward and/or Michelle Mitchell; Directors; 3309 Hyland Avenue, Suite J, Costa Mesa, CA 92626; (714) 546-8786; kendaw@costamesa.paulmitchell.edu or michellem@costamesa.paulmitchell.edu. The student must explain his/her reasons for disagreeing with the Coordinator’s decision, or explain how the student’s accommodation is not being implemented, and submit any relevant documentation.

Within five calendar days of receiving a student’s appeal the Director will meet with the student and the Coordinator to discuss the issues presented by the student’s appeal. If appropriate, the Director will also discuss the issues with other School staff members.

When a student appeals a decision made by the Coordinator, the Director will determine whether the Coordinator’s decision should be revised or remain the same. If the decision is revised, the Director will ensure that the revised decision is implemented.

When a student files an appeal on the basis that an approved accommodation is not being implemented, the Director will determine whether the accommodation is being fully implemented, and if it is not, ensure that the accommodation is implemented. The Director will inform the student of the decision in writing no later than fourteen days after receiving the student’s appeal.
Training and Mediation Responsibilities of the ADA Compliance Coordinator

The ADA Compliance Coordinator at each campus will deliver disability training sessions for all campus staff members at least once each calendar year. In these training sessions the Coordinator will explain the basic requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act as they apply to The School. The Coordinator will address: The School’s responsibility to provide accommodations to students with disabilities; how to appropriately interact with students with particular kinds of disabilities; how to go about implementing accommodations that the Coordinator has approved for students; how to support students with disabilities in The School’s programs; that students with disabilities cannot be penalized for using approved accommodations. The Coordinator will keep a record of each training session.

The Coordinator may also provide trainings for students who wish to learn about The School’s process for providing accommodations, or about The School’s grievance procedures.

To help ensure that future campus staff members and students are aware of The School’s policies, the Coordinator will make sure that the Accommodations Procedures and the Grievance Procedures are continually posted at the campus.

The Coordinator will assist students with disabilities who have concerns about implementation of their accommodations or their treatment by The School staff members or other students. At the request of a student, the Coordinator will informally mediate or attempt to resolve issues related to the student’s disability. If this informal process does not resolve the student’s concerns, the student may file a grievance as described in Section II below.

Grievance Procedures for Students who have Complaints on the Basis of Disability

Paul Mitchell The School is responsible for providing a grievance procedure to students who feel they have been discriminated against on the basis of disability. The grievance procedure provides students the opportunity to file a complaint. The School then has the responsibility to objectively investigate the allegations in the complaint and determine whether the student has been discriminated against. If The School determines that discrimination occurred, The School must take appropriate steps to correct the discrimination and prevent it from reoccurring.

Grievance complaints — A student may file a grievance if the student feels he or she has been discriminated against because the student is disabled, or because the student is regarded as being disabled, or because the student has a record of being disabled. A student may also file a grievance if the student feels that he or she has been retaliated against for advocacy based on disability. Here are some examples of discrimination:

- An instructor or other students refer to the student in a derogatory way related to the student’s disability.
- An instructor generally refers to students with particular types of disability in a derogatory way.
- Other students refuse to work with the student because the student is disabled.
- A School staff member refuses to provide a service to the student that the staff member provides to other students.
- A school staff member takes a negative action toward the student after the student asked for accommodations for a disability.
- A guest presenter at The School makes derogatory statements about students with disabilities, or states that students with disabilities can never be employed in the presenter’s field.
- A student’s request for accommodation was denied by The School, or an instructor did not implement an accommodation for the student that was approved by The School.
A student must file a grievance complaint within 90 days of the date the discriminatory act occurred, or within 90 days of the end of an informal attempt to resolve the complaint, whichever is later. The complaint must be written. In the complaint, the student must describe what happened and the dates the acts took place, and state who was involved. The student should explain why the student believes the acts were taken based on disability. The student should describe or provide copies of any relevant documents or emails, if available.

A student may ask the Campus ADA Compliance Coordinator to try and informally resolve the student’s complaint before the student files a written complaint. However, the student is not required to try informal resolution before filing a written complaint.

The complaint must be sent to Kenda Woodward and/or Michelle Mitchell; Directors; 3309 Hyland Avenue, Suite J, Costa Mesa, CA 92626; (714) 546-8786; kendaw@costamesa.paulmitchell.edu or michellem@costamesa.paulmitchell.edu.

Investigation of the Complaint — When the Director receives a written complaint, the Director will immediately begin an objective investigation. The School has the right to contract with an independent investigator to conduct any investigation. Within seven days, the Director will discuss the allegations in the complaint with the student, and obtain any needed additional information from the student. The Director will obtain from the student the names of any persons the student believes will have relevant information. The Director will gather all information necessary to determine what took place. To do so, the Director will interview any School staff members or students who engaged in the actions or may have witnessed the actions that the student is complaining about. The Director will interview persons that the student stated may have relevant information. The Director will gather any relevant documents such as emails, student work or instructor’s records. During the investigation, the Director will disclose the complaint, and confidential information about the student, only to the extent necessary to investigate the allegations of the complaint.

After reviewing all the evidence gathered, the Director will determine whether the student was treated differently from other students based on disability; or whether the student was harassed based on disability; or whether the student was retaliated against because the student advocated on the basis of disability; or whether the student was denied an accommodation that The School should have provided to the student.

Written Decision — The Director will provide the student with a written decision no later than sixty days after the date the student filed the complaint. The decision will state the determination reached by the Director at the conclusion of the investigation, and the reasons the Director reached that determination. If the Director concludes that the student was discriminated against on the basis of disability, the decision will state they types of remedial action that The School has taken or will take to correct the discrimination. The decision will also state how The School will prevent the discriminatory acts from occurring again.

Appeals by Students — If the student who filed the complaint disagrees with the decision made by the Director, or disagrees with the remedial action specified, the student may appeal the decision to The School Owner. The appeal must be written and sent to Kenda Woodward and/or Michelle Mitchell; Directors; 3309 Hyland Avenue, Suite J, Costa Mesa, CA 92626; (714) 546-8786; kendaw@costamesa.paulmitchell.edu or michellem@costamesa.paulmitchell.edu. The appeal must state the specific reasons that the student disagrees with the decision. Appeals must be filed no later than thirty days after the student receives the written decision from the Director.

The Owner will review all the information provided by the student in the appeal, the decision by the Director, the interview records made by the Director and the documents gathered by the Director. The Owner will issue a written decision to the student within fourteen days after receiving the student’s appeal. The Owner will determine whether the decision should be revised or remain the same. If the Owner determines that the decision should be revised, the Owner will ensure that any necessary changes in the remedies are implemented.

STUDENT CONSUMER INFORMATION

Provisions of the Higher Education Amendment of 1976 require that effective July 1, 1977, each post-secondary institution which receives Federal Financial Aid funds must make certain student consumer information available to any enrolled or prospective student who request such information.

This section compiled by the Financial Aid office staff attempts to meet the requirements.

The school is approved for and participates in Federal PELL Grants, Subsidized Direct loans, Unsubsidized Direct Loans, and Parent PLUS loans. Such programs help to defray the costs of attending school for those students eligible for financial aid consideration.

Financial aid is any mechanism that reduces out of pocket costs that the students and/or parents must pay to obtain a specific post-secondary education. Put differently, financial aid is monies made available to help students meet the cost of the program. Financial aid includes grants and need and non-need loans.

Need-based financial aid is available to families that demonstrate a financial need for additional resources. The formula below is used to determine how much financial need a student has:

\[
\text{Cost of Attendance} - \text{Expected Family Contribution (EFC)} = \text{Financial Need}
\]

Non-Need is the difference between the cost of education and Financial Need.

Based on these calculations Federal Aid may not cover all the cost of attendance.

All financial aid is awarded to students that qualify meeting the following criteria:

1. Citizen or permanent noncitizen alien recipient codes that are eligible are 1-151, 1-551, and 1-94.
2. Ineligible codes include F-1, F-2, J-1, and J-2, students that are in Federal Loan default, grant over payment, or male students that meet the Selective Service registration criteria, but are not registered.

2. Submission to or rejection of the conduct or communication is used as a factor for employment decisions or other school-related decisions affecting an individual; and/or
3. Such conduct or communication has the purpose or effect of substantially interfering with an individual's work or school performance or creates an intimidating, hostile, or offensive work or school environment.

Sexual harassment can occur between staff to student, student to staff, student to student, staff to staff, female to male, male to female, female to female, and male to male. Retaliation is prohibited against any person who makes a complaint or is a witness under this policy and will result in appropriate disciplinary action against the person responsible for the retaliation. Individuals who knowingly report or corroborate false allegations will be subject to appropriate disciplinary action.

Each staff member is responsible to immediately report alleged discrimination and/or harassment to his/her supervisor or other appropriate school personnel. Staff members who fail to take prompt action to report allegations or violation(s) of this policy may be subject to disciplinary action up to and including termination.
HARASSMENT, INTIMIDATION, BULLYING, AND DISCRIMINATION POLICY

PAUL MITCHELL THE SCHOOL is committed to maintaining a working and learning environment that provides for fair and equitable treatment, including freedom from bullying, harassment, intimidation, and discrimination of any kind. This policy includes anyone who engages in such behavior on school property, at school activities, or an electronic act through the use of cell phones, computers, personal communication devices, or other electronic gaming devices.

Harassment, intimidation, bullying, and discrimination may take many forms, including verbal aggression and name calling; physical aggression; relational aggression; graphic and written statements, which may include use of cell phones, computers, or gaming systems; and other conduct that may be physically threatening, harmful, or humiliating. Harassment, intimidation, bullying, and discrimination include intent to harm, they are directed at a specific target, and typically involve repeated incidents. Such conduct or communication has the purpose or effect of substantially interfering with an individual's work or school performance and creates an intimidating, hostile, or offensive work or school environment. Harassment, intimidation, bullying and discrimination can interfere and limit a person's ability to participate in or benefit from the services, activities, or opportunities offered by the Paul Mitchell School. Administration will take prompt, equitable, and remedial action on all reports and complaints that come to the attention of school personnel, either formally or informally. Allegations of criminal misconduct will be reported to the appropriate law enforcement agency.

Engaging in harassment, intimidation, bullying or discrimination will result in appropriate discipline or other appropriate sanctions against offending students, staff, or contractors. Anyone engaging in these behaviors on school property or at school activities will have their access to school property and activities restricted or revoked, as appropriate.

The school shall respect the confidentiality of the complainant and the individual(s) against whom the complaint is filed as much as possible, consistent with the school's legal obligations, state laws and policies, and the necessity to investigate the allegations and take disciplinary and/or restorative action to resolve the problem.

Retaliation is prohibited against any person who makes a complaint or who is a witness under this policy and will result in appropriate disciplinary action against the person responsible for the retaliation. Individuals who knowingly report or corroborate false allegations will be subject to appropriate disciplinary and/or restorative action. Each staff member is responsible for immediately reporting alleged harassment, intimidation, bullying or discrimination to his/her supervisor or other appropriate school personnel. Staff members who fail to take prompt action to report allegations or violation(s) of this policy may be subject to disciplinary and/or restorative action up to and including termination.

COPYRIGHT MATERIAL POLICY FOR PAUL MITCHELL THE SCHOOL

All material in this program is, unless otherwise stated, the property of PAUL MITCHELL THE SCHOOL. Reproduction or retransmission of the materials, in whole or in part, in any manner, without the prior written consent of the copyright holder, is a violation of copyright law.

At PAUL MITCHELL THE SCHOOL we abide by the provisions of the federal Digital Millennium Copyright Act (DMCA), which requires prompt response to claims of copyright infringement by copyright holders or their agents. If the school receives an allegation of copyright infringement based on your use of the school’s computers, the matter will be referred to the school director for further investigation. If you are found responsible after meeting with the school director, you are subject to disciplinary action including loss of network access, suspension or termination from school, and/or restitution or community service.

The Internet is an essential tool in everyone’s lives for both academic and everyday pursuits. Along with these benefits come responsibilities. One of the most critical is conforming to the copyright laws governing music, movies, games, and software over the Internet. You must have the consent of the copyright holder to make copies.

The consequences of copyright infringement also extend outside of the school. Copyright holders may assess civil liability and even criminal prosecution. Recently, the Recording Industry Association of America (RIAA) has adopted the practice of sending schools pre-litigation settlement letters to be forwarded to individuals offering them “the opportunity to resolve copyright infringement claims against them at a discounted rate.” Published reports indicate that the minimum settlement is $3,000.00 per case.

Another reason to be careful with file-sharing programs is that the installation procedures for most of them enable default open access worldwide to information on your system; thus, the integrity of your computer and personal information can be compromised through illegal file sharing, including making you vulnerable to identity theft.

To facilitate student access to legal sources of music and video online, we have listed a couple of sites below:

1. **iTunes**: This Apple store works with both Windows and Mac operating systems. Currently, over 99% of their song catalog is “unlocked,” meaning you can transfer the songs to any device or computer you own.

2. **eMusic.com**: This site features mostly independent and jazz/blues music. They offer low prices for signing up (up to 45 songs for free), and a good portion of their catalog can be purchased for about $0.50 to $0.89/song.

3. **Netflix.com**: For about $7.99/month, you can set up an online list of over 20,000 movies that can be streamed directly to your computer.
SOCIAL NETWORKING POLICY

Paul Mitchell School respects the rights of students to use social media during their personal time. Social media includes all forms of publicly accessible communications which include, but are not limited to, written and verbal communications (including podcast and video uploads) and all forms of electronic communication including discussion groups, forums, news groups, e-mail distribution, blog postings, and or social networking sites (such as Facebook, MySpace, Twitter, You Tube, Friendster, etc.). Students are personally responsible for the content they publish on social networking sites. Students are expected to treat each other with fairness and respect, consistent with the Paul Mitchell Schools culture.

Paul Mitchell Schools does not permit ethnic slurs, personal insults, obscenity, and intimidation, cyber bullying or engaging in conduct that would be unbecoming of a Paul Mitchell Future Professional and misrepresent Paul Mitchell culture. Paul Mitchell Schools reserves the right to request the removal of any posts at its discretion and take necessary disciplinary action as appropriate.
